**Statutory prescribed** - legislation provides that the local authority charge for providing a service and either (a) the charge is prescribed (i.e set eg. £100 or (b) the range is prescribed.

**Statutory discretionary (or statutory costs recovery)** - legislation provides that you may charge for providing a service but the amount of the charge is discretionary, within the remit of the legislation – the charge may be limited to cost recovery, reasonable cost or based on

consideration of prescribed matters eg.  
consideration of rental value of land for  
allotments.

**Discretionary** – here the authority is not obliged  
to provide the service but if it does so then the  
charges must be based on costs recovery, based  
on the statutory power to charge in Local  
Government Act 2003/Localism Act 2011
