4) Kerry Avenue Conservation Area

Address	Relevant part of the GPDO The formation, laying out and construction of a means of access to a highway (loss of grass verges)
1 Glanleam Road	Grass verges are all relatively in tact and contribute much of the character definition to the KA Conservation Area, so should be maintained with an article 4. Grass verges only cut through on a few occasions for drive and pathways. Area still lush and green and very much a private estate to be maintained. If grass verges were lost for widening driveways etc, character of area would be gone. – Article 4 needed: YES
