

**Report for: Health and Social Care
Scrutiny Sub-Committee**

Date of Meeting:	19 November 2020
Subject:	Update from NW London Joint Health Overview and Scrutiny Committee
Responsible Officer:	Alex Dewsnap, Director of Strategy & Partnerships
Scrutiny Lead Member area:	Health: Policy Lead – Councillor Michael Borio Performance Lead – Councillor Vina Mithani
Exempt:	No
Wards affected:	All
Enclosures:	None

Section 1 – Summary and Recommendations

This report provides an update on discussions held at the meeting of the NW London Joint Health Overview and Scrutiny Committee (JHOSC) on 7 September 2020.

Recommendations:

The Sub Committee is asked to consider the update and provide any comments / issues that are to be raised through the JHOSC by Harrow's representatives.

Section 2 – Report

Background

The North West London Joint Health Overview and Scrutiny Committee (JHOSC) comprises elected members drawn from the boroughs geographically covered by the NHS NW London Shaping a Healthier Future (SaHF) programme and was set up to consider the proposals and consultation process formally between the period of 2 July and 8 October 2012. The proposals set out the reconfiguration of the accident and emergency provision in North West London. This included changes to emergency maternity and paediatric care with clear implications for out-of-hospital care.

The JHOSC published its final report in October 2012, making recommendations on how the SaHF proposals could be developed and implemented, including the risks that needed to be explored. The JHOSC also recommended that the committee continue to meet beyond the original consultation period to provide ongoing strategic scrutiny of the development and implementation of Shaping a Healthier Future.

Harrow's ongoing participation in the JHOSC examining the implementation of the SaHF ensures that scrutiny of the issues is maintained at a regional level and that Harrow residents' perspectives are put forward to the NHS as it implements the SaHF programme. The Health and Social Care Scrutiny Sub Committee receives regular update reports on the JHOSC so that it can pick up any local issues in its own work programme as well as feed into the JHOSC's agenda planning and deliberations. Harrow's member representatives on the JHOSC for 2019/20 are Councillors Rekha Shah and Vina Mithani.

On 26 March 2019, the Secretary of State for Health announced the closing down of the Shaping a Healthier Future programme. In a letter dated 26 March 2019, the NW London Collaboration of CCGs confirmed the decision and stated:

"All parts of the NHS are now in agreement to draw the SaHF programme to a conclusion and bring our on-going efforts to improve health and care together in a new programme as part of our NHS Long Term Plan response. We will not be taking forward the plans as set out in SaHF for changes to Ealing and Charing Cross hospitals, but this does not mean that services across NW London will not change...We want to work with local people, communities and organisations to develop this new plan for NW London, which ensures high quality care for all our residents. We think it should include continuing our expansion of primary and community services and the development of more integrated care. We are also clear that services will need to be configured in such a way as to build a health system that is both clinically and financially sustainable. If we are to improve care and outcomes for local residents, we know that the status quo is not an option. This new plan for health and care in NW London will therefore still need to include changes, involving some difficult decisions and trade-offs, if we are to offer high quality, person-centred care sustainably. By realigning under the NHS Long Term Plan, updating our planning assumptions and enabling all of our staff, patients, partners and

stakeholders to be involved in its development and delivery over time, we will have the best possible chance of success.”

The terms of reference for the JHOSC were revised to reflect the closure of the Shaping a Healthier Future programme.

JHOSC meeting 7 September 2020

The last JHOSC meeting held on 7 September 2020 was a virtual meeting hosted by the London Borough of Hammersmith & Fulham. The meeting was attended, for part, by Councillor Vina Mithani. The agenda for this meeting included a single item:

NW London Collaborative: The Case for Change for a Single CCG – the JHOSC discussed the proposed merger plans and the expected outcomes. Following stakeholder engagement throughout 2019, the NW London Collaborative of CCGs had proposed to merge the 8 CCGs in NW London to a single CCG. The rationale for this was that it would allow the local NHS to:

1. Reduce duplication in ways of working, allowing more time and money to be put into patient services.
2. Work more effectively with both NHS and local authority service providers to improve patient wellbeing and care, with improved quality and consistency of local health and care services.
3. React quickly and consistently to the continuing pandemic and recovery.
4. Support delivery of the ICS vision.

In terms of governance, each borough will retain a CCG borough committee, which will work with the local borough's Health and Wellbeing Board and Integrated Care Partnership.

The JHOSC meeting on 8 October was postponed given the stretch on NHS capacity in dealing with the ongoing Covid-19 pandemic. It has subsequently also been agreed not to hold any formal JHOSC meetings until 2021 and instead ask the NWL Collaboration of CCGs for answers to written questions from the JHOSC. These questions will be provided to the NHS in mid-November for response. Questions include hospital capacity to manage the impact of a second wave in the Covid-19 pandemic and the impact on local communities, including any lessons learnt from the first wave and any disproportionate impact on BAME communities in NW London.

Ward Councillors' comments

Not applicable as report relates to all wards.

Financial Implications

There are no financial issues associated with this report.

Performance Issues

There are no performance issues associated with this report.

Environmental Impact

There is no environmental impact associated with this report.

Risk Management Implications

There are no risk management implications associated with this report.

Equalities implications / Public Sector Equality Duty

An Equalities Impact Assessment has not been undertaken for this report as it summarises the activities of the JHOSC and does not propose any changes to service delivery.

Council Priorities

The work of the JHOSC relates most to the delivery of the council priority to:

- Addressing health and social care inequality

Section 3 - Statutory Officer Clearance

Not required for this report.

Mandatory Checks

Ward Councillors notified: No, as it impacts on all wards

Section 4 - Contact Details and Background Papers

Contact: Nahreen Matlib, Senior Policy Officer,
