

You will need to produce an Equality Impact Assessment (EqIA) if:

- You are developing a new policy, strategy, or service
- You are making changes that will affect front-line services
- You are reducing budgets, which may affect front-line services
- You are changing the way services are funded and this may impact the quality of the service and who can access it
- You are making a decision that could have a different impact on different groups of people
- You are making staff redundant or changing their roles

Guidance notes on how to complete an EqIA and sign off process are available on the Hub under Equality and Diversity. You must read the [guidance notes](#) and ensure you have followed all stages of the EqIA approval process. Section 2 of the template requires you to undertake an assessment of the impact of your proposals on groups with protected characteristics. Borough profile data and other sources of statistical information on each group can be found on the Harrow hub, within the section entitled: Equality Impact Assessment - [Borough profile data](#) and other sources of information to help you complete your EqIA template.

1. Summary of proposal, impact on groups with protected characteristics and mitigating actions (to be completed after you have completed sections 2 - 5)
<p>a) What is your proposal?</p> <p>The implementation of an Additional Restrictions Grant Policy, will provide grants to businesses with a rateable value of less than £51,000 in 2019/20 and 2020/21, and non business rate paying business (including those operating from home) and funding for business support programmes to support sole traders, self employed and micro and small businesses, and town and district centre initiatives</p>
<p>b) Summarise the impact of your proposal on groups with protected characteristics</p> <p>The ARG is targeted at occupied retail, hospitality, sports, culture leisure businesses and their suppliers with properties with a rateable value under £51,000 and non-business rate payers (including home based). It will support sole traders, micro-businesses and small to medium size properties and it is likely that the owners and users will reflect the diversity of the borough. By awarding this relief it will be supporting the corporate value of supporting local businesses and to promote a Thriving Economy.</p> <p>Harrow has 15,000 businesses registered for VAT & or PAYE, 95% of business employ less than 10 people, only 2.2% employ over 20 people, and 13.1% of economically active residents are self-employed. Those businesses and self-employed residents are likely to reflect the demography of Harrow's population.</p>
<p>c) Summarise any potential negative impact(s) identified and mitigating actions</p> <p>There is no identified negative impact on the groups.</p>

2. Assessing impact					
You are required to undertake a detailed analysis of the impact of your proposals on groups with protected characteristics. You should refer to borough profile data , equalities data , service user information, consultation responses and any other relevant data/evidence to help you assess and explain what impact (if any) your proposal(s) will have on each group. Where there are gaps in data, you should state this in the boxes below and what action (if any), you will take to address this in the future.		What does the evidence tell you about the impact your proposal may have on groups with protected characteristics? Click the relevant box to indicate whether your proposal will have a positive impact, negative (minor, major), or no impact			
Protected characteristic	For each protected characteristic, explain in detail what the evidence is suggesting and the impact of your proposal (if any). Click the appropriate box on the right to indicate the outcome of your analysis.	Positive impact	Negative impact		No impact

2.1 Cumulative impact – considering what else is happening within the Council and Harrow as a whole, could your proposals have a cumulative impact on groups with protected characteristics?

Yes No

If you clicked the Yes box, which groups with protected characteristics could be affected and what is the potential impact? Include details in the space below

3. Actions to mitigate/remove negative impact

Only complete this section if your assessment (in section 2) suggests that your proposals may have a negative impact on groups with protected characteristics. If you have not identified any negative impacts, please complete sections 4 and 5.

In the table below, please state what these potential negative impact (s) are, mitigating actions and steps taken to ensure that these measures will address and remove any negative impacts identified and by when. Please also state how you will monitor the impact of your proposal once implemented.

State what the negative impact(s) are for each group, identified in section 2. In addition, you should also consider and state potential risks associated with your proposal.	Measures to mitigate negative impact (provide details, including details of and additional consultation undertaken/to be carried out in the future). If you are unable to identify measures to mitigate impact, please state so and provide a brief explanation.	What action (s) will you take to assess whether these measures have addressed and removed any negative impacts identified in your analysis? Please provide details. If you have previously stated that you are unable to identify measures to mitigate impact please state below.	Deadline date	Lead Officer

4. Public Sector Equality Duty

How does your proposal meet the Public Sector Equality Duty (PSED) to:

1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Equality Act 2010
2. Advance equality of opportunity between people from different groups
3. Foster good relations between people from different groups

Include details in the space below

The ARG policy is not based on any of the protected characteristics nor does this policy have any inclusion or exclusion of any protected characteristics.

Staff are aware of the facilities to support customers who may have difficulty in completing applications via their annual equality training and our vulnerability policy.

Once the policy is agreed it can be promoted via the Business Newsletter, Harrow Business Forum and the HA1 Business Improvement District

advised.

The proposed policy focuses on small and medium sized properties which make up ¾ of the commercial property within the borough. It is probable that the business owners will be representative of the diversity of the borough and will support the local communities and those customers who use their services

The Business Support programmes will include a Diagnostic which will identify support required and tailor to the learning and support needs of the beneficiary.

Harrow has 15,000 businesses registered for VAT & or PAYE, 95% of business employ less than 10 people, only 2.2% employ over 20 people, and 13.1% of economically active residents are self-employed. Those businesses and self-employed residents are likely to reflect the demography of Harrow's population

5. Outcome of the Equality Impact Assessment (EqIA) click the box that applies

Outcome 1

No change required: the EqIA has not identified any potential for disproportionate impact and all opportunities to advance equality of opportunity are being addressed

Outcome 2

Adjustments to remove/mitigate negative impacts identified by the assessment, or to better advance equality, as stated in section 3&4

Outcome 3

This EqIA has identified missed opportunities to advance equality and/or foster good relations. However, it is still reasonable to continue with the activity. Outline the reasons for this and the information used to reach this decision in the space below.
