

Equality Impact Assessment (EqIA)

You will need to produce an Equality Impact Assessment (EqIA) if:

- You are developing a new policy, strategy, or service
- You are making changes that will affect front-line services
- You are reducing budgets, which may affect front-line services
- You are changing the way services are funded and this may impact the quality of the service and who can access it
- You are making a decision that could have a different impact on different groups of people
- You are making staff redundant or changing their roles

Guidance notes on how to complete an EqIA and sign off process are available on the Hub under Equality and Diversity. You must read the [guidance notes](#) and ensure you have followed all stages of the EqIA approval process (outlined in appendix 1). Section 2 of the template requires you to undertake an assessment of the impact of your proposals on groups with protected characteristics. Equalities and borough profile data, as well as other sources of statistical information can be found on the Harrow hub, within the section entitled: [Equality Impact Assessment](#) - sources of statistical information.

3. Foster good relations between people from different groups

The renewal of such a scheme ensures that tenants of any characteristic are protected from harassment and victimisation from unlawful evictions

5. Outcome of the Equality Impact Assessment (EqIA) click the box that applies

Outcome 1

No change required: the EqIA has not identified any potential for unlawful conduct or disproportionate impact and all opportunities to advance equality of opportunity are being addressed

Outcome 2

Adjustments to remove/mitigate negative impacts identified by the assessment, or to better advance equality, as stated in section 3&4

Outcome 3

This EqIA has identified discrimination and/ or missed opportunities to advance equality and/or foster good relations. However, it is still reasonable to continue with the activity. Outline the reasons for this and the information used to reach this decision in the space below.
