This note reflects a consensus between the Political Groups on the procedures that will apply for the determination of the Council's Borough Plan, Budget, Council Tax, Treasury Management Strategy Statement, Capital Programme and Housing Revenue Account Budget and Medium Term Financial Strategy.

- OPENING** The Leader will move the Council report, which will require a seconder, and Cabinet Recommendations and the Mayor will then request any amendments.
- AMENDMENTS** Any amendments must be moved and seconded.
- JOINT DEBATE** It is desirable that the Council should hold one comprehensive debate on its budget and Items 7 - 11, so **all** amendments will be considered to have been moved together.
- ADJOURNMENT** Should significant amendments be received, the Mayor may propose an adjournment of up to thirty minutes to allow Members to read and assimilate them.
- EXTENDED SPEECHES** Up to three identified Members of each Group will be allowed a total of **20 minutes** to talk to the recommendation and respond to any amendments. The order will be as follows:
- (1) Labour (20 minutes)
 - (2) Conservative (20 minutes)
- Further to this, one speaker from the Administration and one from the Opposition Group will have 5 minutes each.
- DEBATING RULES** All other speakers will be restricted to the usual **3 minutes**. To conclude the debate the Groups will be allocated **1 winding-up speech of 5 minutes**, in the following order:
- (1) Conservative
 - (2) Labour
- VOTING ON AMENDMENTS** Following the final winding-up speech, the Council will immediately move to voting on the amendments. NO further debate will take place

between the voting on the amendments.

The amendments will be voted on in the following order:

- (1) Conservative
- (2) Labour

One separate vote will be taken on each amendment. If any amendment is carried it becomes the substantive proposal.

Following votes on each amendment, the Council Meeting will have either:

- if an amendment has been carried, a new substantive proposal on the Borough Plan, Budget, Council Tax, Treasury Management Strategy Statement, Capital Programme, Housing Revenue Account Budget and Medium Term Financial Strategy; or
- if no amendment has been carried, the original Recommendations.

DETERMINATION OF ITEMS 7 – 11

A new substantive Budget/Council Tax proposal (if an amendment has been carried) or the Cabinet Recommendation (if not amended) will be put to a formal vote of the Council for adoption, without further debate. A record of all Members voting on the Budget will be taken.

SUSPENSION OF COUNCIL RULES

The procedures set out above vary the rules regarding the moving of a recommendation from the Executive and the rules of debate. Council will be assumed to have endorsed, under Rule 26.1, the partial suspension of the relevant rules for the limited purposes of items 7 – 10 on the Summons, to enable them to be taken as a single item.
