<b>Development and delivery of the Harrow Strategic Development Partnership</b>	Review	Single-item O&S meetings	As required	<p>A model of informal briefing from the services followed by formal scrutiny through committee (O&amp;S), prior to the relevant report going to Cabinet, has been adopted. This allows scrutiny to formally consider and comment on HSDP progress to Cabinet. There was a special O&amp;S meeting on 1 September to consider the phase one report on progress and another special O&amp;S on 17 May to consider the accommodation strategy (phase two). O&amp;S at a special meeting on 1 July considered contract close and establishment of the HSDP (phase 3).</p> <p>Throughout the HSDP development progress to date, there have been regular meetings between the Chair and Vice-Chair of O&amp;S and the Corporate Director and services. There is regular informal feedback on progress through Scrutiny Leadership Group.</p>
