Priorities

- Catch-up interventions to support children who have fallen behind with their learning.
- To increase the number of children with good school attendance from 90% to 95% or higher.
- To increase the Attainment 8 Score (18) to be in line with or above the England Average (21).
- To review education packages for 'hard to reach' Key Stage 3 and Key 4 students.
- Black and Asian boys have been identified as a vulnerable group and represent 57% of the cohort with a suspension. Further interventions to be explored for all pupils at risk of receiving a suspension.
