Hello Manpreet,

We have just received your clients application for a premises licence at the above address, I am mostly happy with the application however I have a concern regarding the opening hours of 0130/0230. As this is a new premises I would be happy to allow it to go until midnight on weekdays. And 0100hrs Friday and Saturday night (Into Saturday and Sunday morning) Then once the applicants show they can be manage the premises responsibly for a period of time we would welcome a variation to extend hours, they can also put in T.E.N.s in the interim.

I have also re-formatted the operating schedule into conditions to allow them to be added to Annex 2 of the licence, this brings your conditions on your licence up to our minimum standard, please see the conditions below and let me know if you agree with them or if you have any questions;
