

CABINET - THURSDAY 16 FEBRUARY 2023

AGENDA PART I

COUNCILLOR QUESTIONS (ITEM 5)

Fifteen minutes will be allowed for Members of the Council to ask a Portfolio Holder a question on any matter in relation to which the Executive has powers or duties.

1.

Questioner: Councillor Natasha Proctor

Asked of: Councillor David Ashton - Portfolio Holder for Finance & Human Resources

Question: “With just one week’s notice, over £8 million of cuts to services requiring consultation have been announced - at present these announcements by the Conservative Group have little detail in terms of the nature of what will be consulted upon, what each service area will look like or how residents every-day lives will be impacted. When do you expect each of these reports to come back to Cabinet with specific details for a final decision?”

2.

Question: "Could the Portfolio Holder confirm that your administration intends to close the New Bentley Neighbourhood Resource Centre and use it as a (yet to be defined?) voluntary resource, thus leaving Harrow services to be provided from just two locations, at Kenmore and Vaughan and share the results of any consultations with service users, parents, carers and support organisations that have taken place prior to your announcement of this radical change to provision for some of our most vulnerable Harrow residents so that Council can be assured that their voice has been heard and they are confident in the revised provision going forward?"

7.

Asked of: Councillor Stephen Greek - Portfolio Holder for Performance, Communications & Customer Experience
