## **Section 2 – Report**

The council's constitution requires the Overview and Scrutiny Committee to report annually on its activities to Full Council. The attached Scrutiny Annual Report is the draft final report. This has been developed by the Scrutiny Leadership Group, which comprises the chairs and vice-chairs of the Overview and Scrutiny Committee and its sub-committees, and the Scrutiny Lead members. The Scrutiny Annual Report outlines the activities of the Overview and Scrutiny Committee, the scrutiny sub-committees and the scrutiny lead councillors during the 2023-2024 municipal year.

Scrutiny's focus has been focussed on looking at customer experience and what that means for Harrow residents. The team prioritises and continues to focus on key challenges impacting Harrow's residents. A key focus of the work of the Overview and Scrutiny Committee in the last period was focussing on in delving deeper into the impacts of service changes and providing insights into the following projects:

- Harrow Strategic Development ~(HSDP) Report
- Customer Experience Review
- Community Safety Strategy 2023-2026
- Corporate Plan 2023-2026

The scrutiny work programme for 2023-2024 has reflected this change in priorities.
