1. **Apologies for Absence:**

Received from Bernard Segal (Roxborough Residents' Association), Brian Kerby (Harrow Agenda 21), Jeannie-Cohen Brand (Harrow College), Councillor Marilyn Ashton, Matthew Westmore (Harrow College), Sanjeev Popat (Boots the Chemist), Suzy Wood (St. Ann's Shopping Centre).

2. **Minutes:**

**AGREED:** That the minutes of the meeting held on 26 April 2006 be confirmed as a correct record of proceedings.

3. **Matters Arising:**

There were no matters arising.

4. **Harrow-on-the-Hill Station Masterplan:**

Graham Jones (Director of Strategic Planning) provided a verbal update in this regard. He advised that negotiations were continuing with Harrow College and that the funding situation should be clearer by October 2006. He further advised that the application by Dandara had been recommended to the Development Control Committee for refusal.

In response to queries, the Forum was advised that Harrow College wanted to replace its two current campuses with a new campus, and that this proposal was included in the bid to the National Skills and Learning Council, which had been delayed until October 2006. The Director of Strategic Planning also advised that if Dandara's application was refused, Dandara could appeal, submit another application, join in a partnership with other developers or sell. As Dandara owned part of the site, any solution would have to include cooperation with them

**AGREED:** That the above be noted.

5. **Harrow Town Centre Management Strategy - 2006-2008:**

Linda Arlidge (Harrow Town Centre Manager) provided an overview in this regard. She advised that the public consultation had started on 5 May 2006, not 5 June 2006, as stated in the report. Regarding proposals for a buskers' area (project 5.8 in the report), she advised that it was expected that there would be a forty-minute playing session followed by a 20-minute interval.

In response to a Member's suggestion that the area between Dixons and the jewellers be used as an activity area for cultural events (project 5.4), the Town Centre Manager advised that this could be discussed at a future meeting when Suzy Wood (Centre Manager, St Ann's Shopping Centre) would be present. The Chairman commented that this proposal would have an impact upon retailers and might extend beyond the Forum's remit.

**AGREED:** That the report be noted.

**6. Safer Neighbourhood Policing in Greenhill Ward:**

The Forum received a verbal update from Sergeant Ian Walker in this regard. Sergeant Ian Walker advised that a breakdown of figures on a street-by-street basis would not be possible for Greenhill Ward. He informed the Forum that pickpocketing had decreased, residential burglary was low in Greenhill ward, and that leaflets had been distributed regarding theft from motor vehicles in areas where this was a concern.

In response to a comment regarding the possibility of Police Community Support Officers giving crime-related advice at bus stations, Sergeant Ian Walker advised that this could be looked into, and that posters could also be put up in the area.

**AGREED:** That the above be noted.

**7. Alcohol Exclusion Zone - Consultation:**

The Forum received an oral report and a tabled document including a map of the Alcohol Exclusion Zone from Shankar Sivashankar (Service Manager, Community Safety Services, Urban Living) in this regard.

The Forum was advised that the zone should be implemented by the end of August 2006, and that it could be extended Borough-wide by this time next year, although this would depend upon police evidence of Borough-wide disorder. The Forum was further advised that Hillingdon currently had five alcohol exclusion zones and was looking to extend these Borough-wide, and Harrow would be able to see the effect that this would have.

The Forum was advised that licensed premises were exempt from the alcohol exclusion zone, but would be required to display notices alerting people that once outside the premises, the zone would be in operation. The zone would apply to public and private land. All licensed premises selling alcohol and landowners had been sent information regarding the zone.

Sergeant Ian Walker clarified that when police recorded assaults, they did record whether they were alcohol-related, and advised that within the zone, police would be able to remove alcohol from people they considered likely to cause disorder.

**AGREED:** That the above be noted.

**8. Harrow Business Against Crime Partnership:**

The Forum received an oral update, a tabled report and a pamphlet in this regard from Steve Rogers (Crime Reduction Co-ordinator, Urban Living). The Forum was also shown promotional material including stickers with the Harrow Business Against Crime (HBAC) Partnership logo.

The Forum was advised that the Partnership looked promising and that it was hoped an HBAC Reduction Manager would be appointed shortly.

**AGREED:** That the above be noted.

**9. Town Centre Manager's reports:**

The Town Centre Manager provided brief updates on the items listed on the agenda:

- The Harrow Arts Festival had been very successful, with many community groups represented.
- Station Road resurfacing works would commence on 24 July 2006 and continue until 4 September 2006, and a leaflet on this matter was available.

**AGREED:** That the update be noted.

**10. Transport and Access:**

Anthony Wood (Harrow Public Transport Users' Association) provided a brief update on transport and access. He advised that work by London Underground to make Harrow-on-the-Hill Station more accessible was progressing. He further advised that bus passengers were concerned over a new type of bus blinds, which only said 'Harrow'. He commented that it was important that they were more informative while being easy to read, including for those with sight impairments.

**AGREED:** That the update be noted.

**11. Any Other Business:**

Course by the Harrow Association of Disabled People

The Town Centre Manager advised that the Association would run a course on Disability Equality Training on 8 September 2006, which could be of particular interest to small businesses. She advised that a document providing additional information on the course was available.

North West London Chamber of Commerce – new members

The Forum was advised that the Chamber, which was non-political and only received funding from its members, was looking for new members.

Public Toilets

A member commented that public toilets on the ground floor of the St. Ann's Shopping Centre were in a poor state, and that a representation to re-open the Council toilets on Greenhill Way should be made. He requested that a report regarding public toilets in Greenhill Way be provided at the next meeting of the Forum. The Town Centre Manager advised that they were currently closed due to technical plumbing problems.

**12. Dates of Future Meetings:**

**AGREED:** To note that the next meeting of the Forum would be held at 4pm on 18 October 2006 at Harrow Civic Centre.

## **Annual General Meeting**
