

## LONDON BOROUGH OF HARROW

### CABINET

15 FEBRUARY 2007

#### Reference from the Meeting of the Special Children and Young People Scrutiny Sub-Committee meeting held on 9 January 2007: Final Report of the Challenge Panel on School Nursing

1. The Sub-Committee received a report of the Director of People, Performance and Policy, alongside a verbal report of the Chairman of the Review Group, on the findings of the challenge panel on School Nursing.
2. The Chairman of the Panel thanked those involved in the challenge panel, in particular the Scrutiny officer and officers from the Primary Care Trust and North West London Hospitals Trust. The Chairman also emphasised the need for Scrutiny Members to put pressure on the decision makers to ensure that the necessary funding would be made available.

**RESOLVED:** That (1) the final report of the challenge panel on school nursing be noted;

(2) the findings and recommendations of the challenge panel, as set out in the report, be endorsed;

**(3) the report be forwarded to Cabinet for noting at its meeting on 15 February 2007;**

(4) the report be forwarded to the Health and Social Care Integration Board for noting.

**[REASON: To influence the discussions around the future provision of school nursing in the borough.]**
