This representation relates to the following licensing objective(s)

Please tick one or more boxes

- | | |
|---|-------------------------------------|
| 1) the prevention of crime and disorder | <input type="checkbox"/> |
| 2) public safety | <input type="checkbox"/> |
| 3) the prevention of public nuisance | <input checked="" type="checkbox"/> |
| 4) the protection of children from harm | <input type="checkbox"/> |

Please state the ground(s) for review (please read guidance note1)

I am of the opinion that the removal of condition 3 on the existing premises licence and allowing the external areas of the premises to be used by customers will increase the likelihood of public nuisance in the form of noise.

Please provide as much information as possible to support the application (please read guidance note 2)

If the application is to be granted I would require the following conditions be imposed:

- The consumption of alcohol shall not be permitted in external areas after 23:00.

This therefore allows the premises to provide an external smoking area for customer to use after 23:00. However by not allowing the consumption of alcohol while in the area after this time will reduce the time customers are outside and therefore in turn numbers of customers outside keeping noise levels to a minimum.

- Prominent, clear and legible notices shall be displayed in the outside area-requesting customers to be respectful of neighbours while using the outside after 23:00, (or similar wording to the approval of the Licensing Authority).
