Dear Roger

29-33 Pinner Road

Thank you very much for your letter dated 9 May and enclosures. This has clarified for us Matrix position.

Home Group is in agreement with the changes to the floor areas. I have noted the suggested increased cost put forward by Richard Broomfield and deem a request for an increase in cost to be reasonable however this revised figure will be subject to approval from our board which I am unable to obtain until Matrix agree the final outstanding issue on this scheme.

I hope this is helpful for the purpose of your report.

Yours sincerely

YELE THOMAS
Project Manager
