

Performance on exclusions in Harrow schools 2007

(academic year ending 2007 provides 2007-8 fiscal year performance)

	06 - 07 Harrow Actual	Target 06-07	06 - 07 statistical neighbours comparator	Harrow Target 07-08	Forecast Year End Position 2007-8	Harrow Target 08-09
Fixed Term Exclusions	1400	1115	Not available in a comparable format*	1039	1560	964
Permanent Exclusions	37	53	Not available in a comparable format*	42	43	27

*Available data suggests both fixed term and permanent exclusions are higher than our statistical neighbours and that this relates to secondary schools.
