204. <u>Local Validation Requirements for Planning Applications: Draft for Consultation -</u> January 2008:

The Committee received a report of the Director of Planning, Development and Enterprise which informed members of a proposed consultation with key stakeholders on new arrangements for validating planning applications in connection with the use of the new national electronic standard planning application form (1APP) being introduced from 6 April 2008.

In response to questions, it was noted that:

- applications could still be made on paper-based systems;
- there would be links with the HARP project;
- it was the responsibility of the Applicant to find the required information; and
- the list could be reviewed after three years.

RESOLVED: That (1) a 6 week consultation on the local criteria for validating applications, prior to the adoption of the new national electronic standard planning application form (1APP) on 6 April 2008 be agreed;

(2) To report back to Development Management Committee on 2 April 2008 on the outcome of the consultation and present the resultant final version of the "Local Validation Requirements for Planning Applications" for adoption and publication prior to 6 April 2008.

205. Member Site Visits:

RESOLVED: To note that there were no Member site visits to be arranged.

206. Chairman's Announcements:

The Chairman made two announcements:

1. Letter from the Department of Communities and Local Government

The Chairman expressed dissatisfaction that a response to her letter to Ruth Kelly regarding Permitted Development Rights had been received ten months later, without the designation of the signatory, and providing no further information on the matter.

2. The Planning Bill

The Chairman informed the Committee that one of the provisions of the Planning Bill was for planning appeals for minor developments to be heard by a panel of local councillors rather than by a planning inspector.

She had written to the Chairman of the LGA, in consultation with the Leader and Deputy Leader, expressing concern at the funding implications for Local Authorities and issues arising from Members deciding appeals.

The Committee discussed the implications of the implementation of such a provision which, in its opinion, would materially affect the role of Members in the planning function. The Director of Planning, Development and Enterprise reported that Government had accepted that independent planning advice would be required by a Committee considering planning appeals.

(Note: The meeting, having commenced at 6.30 pm, closed at 7.55 pm).
