PART I - RECOMMENDATIONS

RECOMMENDATION I - Places Survey Challenge Panel - Final Report

At its meeting on 29 October 2008, the Performance and Finance Scrutiny Sub-Committee considered the report of the Assistant Chief Executive, which set out the findings and recommendations of the Places Survey Challenge Panel into the preparation of questions for the Place Survey. The Place Survey was a government mandated questionnaire, sent to a number of households in a given area, asking questions about the community and about the service provided to residents by the various partners operating in the area. In Harrow, it had replaced the MORI Quality of Life Survey.

Having noted that the majority of the recommendations of the Challenge Panel had been used to formulate the Place Survey, the Sub-Committee, inter alia,

Resolved to RECOMMEND: (to Overview and Scrutiny Committee)

That (1) the Overview and Scrutiny revisit the Place Survey in February or March 2009, when the results of the Survey would be available;

(2) the outcomes from the Adults and Housing User Group discussions be submitted to the relevant Scrutiny Lead Members and the Chairman and Vice-Chairman of Performance and Scrutiny Sub-Committee for consideration when available.
