Wealdstone or Wealdstone Village ?

This is your chance to give your opinion.

Would you like Wealdstone to be renamed Wealdstone Village?

There has been a suggestion that Wealdstone would benefit from this name change, and it would be a positive boost for businesses and householders wishing to sell their homes.

Other people feel this won't make any difference, and it would be a waste of time and money. What do you think?

We are conducting this survey at very minimal cost, so you can give your point of view
