Residents of County Roads east of Pinner View

Dear Resident

## **Pinner Road Parking Restrictions and County Roads Possible Controlled Parking Zone- Notice of Public Meeting**

**You are invited to a Public Meeting on:-**

*22 January 2009 at 6.50pm  
in St George's Church Hall (opposite the church) in Pinner View.*

The meeting has been set up at the request of some local residents to explain the current proposals and to listen to concerns about specific aspects of the proposals (for instance the extent of proposed double yellow lines) before the traffic orders are drafted which form part of the last stage of consultation

This meeting is not however to reopen debate on the general issues which is still subject to further consultation.

The meeting will be chaired by Councillor Susan Hall, Deputy Leader and Portfolio Holder for Environment and Community Safety.

A plan of the location of the meeting is shown overleaf together with an agenda.

Please note that unfortunately the meeting venue, which is the only one locally available, is not fully accessible for the disabled. If you have any concerns about this aspect please contact Stephen Freeman in advance on 0208 424 1437

Yours sincerely,

Paul Newman  
Senior Engineer  
Parking & Sustainable Transport
