The Education (Determination of Admission Arrangements) (England) Regulations 1999 and the Education (Determination of Admission Arrangements) (Amendment) (England) Regulations 2002 require the LA to have completed by 1 March 2009 its consultation with admission authorities within our 'relevant area' and with our neighbouring LAs on the proposed admission arrangements for community primary and secondary schools and then to have determined those arrangements by 15 April 2009. This document also takes account of the revised School Admissions Code (February 2007).

**COMMUNITY SCHOOL ADMISSION ARRANGEMENTS 2009
DEFINITION OF TERMS USED IN COMMUNITY SCHOOL ADMISSION RULES**

Distance*

The home address is where a child normally lives. Distance is measured in a straight line from home to school, using a computerised mapping system based on Ordnance Survey data. Harrow community schools are mapped onto the system, including all official entry points. The journey is measured from the unique address point for the home address to the closest school entrance.

In cases where applicants live equidistant from the preferred school and places cannot be offered to both children, the oldest child will have the first available place. This will also be the case in the event of multiple births.

Home address**

This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications. Confirmation of address will be required.

Where a child lives with parents with shared responsibility, each for a part of a week, the home address will be taken as the address of the parent who receives child benefit. In cases where parents are not eligible for child benefit the address will be that of the parent where the child is registered with the doctor.

Where applicants live equidistant from the preferred school and places cannot be offered to both children, the oldest child will have the first available place. This will also be the case in the event of multiple births.

Sibling***

A sibling means a child's brother or sister.

However, Harrow Council recognises that family arrangements can vary considerably and wishes to ensure that where children live as brother and sister in the same household they are treated in the same way as siblings for admissions purposes. The sibling priority does not include cousins or other extended family members who live in the same household, but will include step-brothers/sisters and foster children.

Places will be offered to twins, triplets and other multiple-birth children in the parents preferred school provided that the school has places. In the event that the school cannot accommodate all children, places will be offered in another school unless specifically instructed to do otherwise by parent(s) / carer(s). However, where twins are concerned and one twin has a Statement of Special Educational Needs that names a specific school, the other twin will be treated as having a sibling link for that academic year.

Children looked after by the local authority

This term refers to children who are subject to care orders and those who are accommodated by the Authority.

Linked School

Pupils who attend a primary school which is linked to a particular high school and who are registered at a linked primary school on the closing date for receipt of applications.

ADMISSION TO HARROW COMMUNITY SCHOOL NURSERY CLASSES

Admission into nursery classes takes place twice a year, in September and January.

If more applications are received than there are places in a Nursery, the Council will give places to children in the following order:

- First Four year olds, in date of birth order, referred by Learning Support Services.
- Next Other four year olds, in date of birth order.
- Next Three year olds, in date of birth order referred by Learning Support Services.
- Next Other three year olds, in date of birth order.

If there are more children with the same date of birth than there are places in the nursery, then places are offered in the following order:

- First Children whose first language is not English.
- Next Children whose parents are in receipt of Income Support / Income Based Job Seekers Allowance.

Children who live outside the borough may be offered a place when **all** demand from Harrow residents has been satisfied.

Children can attend Nursery either in the mornings or afternoons. Parents can say on the application form if they prefer the mornings or afternoons, or if either session is acceptable.

Children are admitted to a nursery class for a **maximum** of three terms.

A place in a nursery class does **NOT** give any priority for a place in a Reception class in that school. Parents need to make a separate application for a First School place.

HOW PLACES WILL BE ALLOCATED IN COMMUNITY PRIMARY SCHOOLS FOR SEPTEMBER 2009

ADMISSION TO RECEPTION CLASS (MAIN ALLOCATION)

If more applications are received than there are places available, places are offered up to a school's planned admissions number to applicants whose application is received by the closing date in the following priority using an equal preference system (see below).

EQUAL PREFERENCES

Each preference is treated as a separate application. We then work out how well applicants qualify for each school using the admission rules. If applicants qualify for a place at more than one school, a place is offered at the one given the highest ranking.

If more applications are received in any one criterion than there are places available the admission rules will be re-applied followed by the 'tie-breaker' of distance, measured in a straight line.

a) **Children looked after by the local authority**

b) **Statemented pupils** (Pupils with a Statement of Special Educational Needs that names a particular primary school).

b) **Medical reasons relevant to pupil**

Children with special medical reasons for seeking a place at the preferred school. Claims on medical grounds will only be considered for the school closest to the child's home address except in wholly exceptional circumstances. Applications made on medical grounds must be accompanied by supporting evidence from a Consultant at the time of application. This letter must provide full details about the child's medical condition, the effects of this condition and why, in view of this, the child needs to attend the preferred school. In assessing these applications advice, as appropriate, will be sought from Harrow's Special Education Needs Placement Panel.

d) **Medical reasons relevant to parent(s)**

Parent(s) with special medical reasons for seeking a place for their child at their preferred school. Such requests will only be considered for the school closest to the home address, except in wholly exceptional circumstances. Applications will only be considered for the parent(s) with whom the child lives and must be accompanied by supporting evidence from a Consultant at the time of application. This letter must provide full details about the parent's medical condition, the effects of this condition and why, in view of this, the child needs to attend the preferred school. In assessing these applications advice, as appropriate, will be sought from Harrow's Special Educational Needs Placement Panel.

e) Sibling link (i.e. older brothers/sisters)

Children with a brother or sister attending the school or the linked middle school at the time of admission.

f) Distance

Children living nearest to the school measured in a straight line from home to school. This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications.

LATE APPLICATIONS/CHANGES TO THE APPLICATION FORM AFTER THE CLOSING DATE

Application forms must be received by Harrow Council by the closing date of 27 February 2009.

Applications for school places are dealt with differently depending on whether we receive them late or by the closing date. Additionally, any changes to the application (eg order of school preference or change of address) received, or that come into effect, after the closing date will be treated in the same way as a late application (see below).

Applications received by the closing date will be processed first. Applications received after the closing date will NOT be considered until all other applications have been dealt with.

However, in very exceptional cases applications received after the closing date may be considered. The following are some example of exceptions that may apply provided the application is received by 9 April 2009:

- If your family has just moved house you will be asked to provide:
 - a letter from your solicitor confirming completion date which must be on or before
 - A formal tenancy agreement from a letting/estate agent, which comes into effect on or before

- If you are returning from abroad you will need to provide:
 - a council tax bill confirming re-occupation of your property by 9 April 2009:.. If your property has not been occupied
 - confirmation that tenancy has ceased by 9 April 2009 and that you will re-occupy your property if it has been rented during your absence
 - confirmation from your employer that you will return to live in Harrow on or before 9 April 2009 if you were seconded abroad.

- If a single parent has been ill for some time, or there has been a recent death of an immediate family member (evidence of this will be required).

WAITING LISTS

Parents/carers can ask for their child's name to be put on the waiting list for any Harrow community school.

Waiting lists are not a 'first come - first served' list and so time on the list does not give any priority. Waiting lists are kept in the priority order as explained in the admission rules.

Places are offered from the waiting list throughout the year. When a place becomes available, it is offered to the first child on the list and if it is accepted all other children will move up the list. Children may also move down the waiting list if another family, with a higher priority under the admission rules, ask for their child's name to be added to the list.

Applicants who ask for their child's name to be placed on the waiting list for another school, after a school place has been allocated, are indicating they prefer this school to the school already allocated. If at a later date a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn.

APPEALS

Parents/carers can appeal against any decision made by Harrow about the school where they would like their child to be educated.

When an appeal form is requested, the child's name is automatically placed on the waiting list for that school. Parents/carers can ask for their child's name to be put on the waiting list for any other school.

Any child admitted to the school as a result of an appeal will take precedence over others on the waiting list.

HOW PLACES WILL BE ALLOCATED IN COMMUNITY MIDDLE SCHOOLS FOR SEPTEMBER 2009

ADMISSION TO COMMUNITY PRIMARY SCHOOL AFTER THE MAIN ALLOCATION

A place will be offered at the school requested provided there is a vacancy in the appropriate year group. Where the year group is full and it is not possible to meet parental preference, a place will be offered at the nearest community primary school with a vacancy in the year group.

The address used to process the application will be the address where the parent and child normally live and they must be living there at the time of application.

Admission of one child to a primary school does not give a right of admission for brothers or sisters, if places are not available for all at the same time.

Applications received after the closing date will be dealt with after those received by that date have been considered. Places will be offered at schools that still have vacancies.

Admission to Harrow Sixth Form Collegiate

All students may continue to study in the sixth form of their current school, providing they meet the academic entry requirements of their selected courses.

A collegiate system operates at sixth form level within Harrow and some courses are offered through this arrangement. As a result some students from other schools and/or colleges join courses at a particular sixth form and some students from the school may join sixth form courses in other schools and/or colleges.

Applications should be made to the school by (date to be agreed).

FAIR ACCESS PROTOCOL

This protocol applies only to children living in Harrow. Confirmation of residence will be required.

Which children are covered?

- A child looked after by the Local Authority and who does not have a school place.

- Children who have been permanently excluded or for whom a managed move has been agreed by the Rapid Intervention Team.

Which children are not covered?

- Children on roll in school where the parent is seeking a transfer to another school.

Which schools are involved in this protocol?

All Harrow community and voluntary aided schools

When will the protocol apply?

1. Harrow resident pupils who have been permanently excluded or for whom a managed move has been agreed by the Rapid Intervention Team.

For permanently excluded pupils – Either when an Independent Appeal Panel has decided not to direct reinstatement or, if there is no appeal, on the day after the last date on which an appeal may be made or on the day (if earlier) the parent/carer notifies the LA that they do not intend to appeal.

For Managed Move pupils – immediately after the decision is made by the RIT.

2. For CLA or children arriving in Harrow without a school place.

Cases will be referred to the next meeting of the Admissions Panel as soon as the Harrow Admissions Service identifies it is not able:

- For secondary pupils – to offer any place because all schools in the relevant year group are full.
- For primary pupils – to offer a place because there is no school with a vacancy within a reasonable distance of the home address. Cases will not be referred to the Admission Panel if this would have a consequent impact on Infant Class Legislation (ie would result in more than 30 children in one teaching group).

When will the Admissions Panel meet?

Meetings of the Admissions Panel are scheduled in advance and are generally held every two weeks during term time. If required a meeting is held during school holidays, usually the week before term starts, so that parents can be notified of the school allocated before the start of term.

Process for determining allocation of places

- Harrow resident pupils who have been permanently excluded or for whom a managed move has been agreed by the Rapid Intervention Team. Pupils will be placed in another mainstream school, even if the year group concerned is full. Secondary pupils will be referred to another high school on a rota basis. Primary pupils will be referred to the next nearest school to their home address. A primary school will not normally be expected to take more than one excluded pupil per year group in each academic year.

- Applications for CLA or children arriving in Harrow without a school places will be referred to the next meeting of the Admissions Panel.

For both primary and secondary pupils the Admissions Service will provide the Members of the Admissions Panel with the following details to inform their decision:

- The pupil's date of birth and year group.
- The school(s) the parent has named on their application together with the number of places available, the number of children currently on roll and the number on roll if all cases admitted.
- Names of the schools closest the child's home address together with the number of places available, the number of children currently on roll and the number on roll if all cases admitted.
- Whether the child is looked after and name of the care authority
- Names and dates of birth of siblings attending any of the schools identified.
- Any known special educational needs.
- Any known religious, philosophical or other reasons for parental preference
- Any information provided by the school.

In light of the information provided, the Members of the Admissions Panel will make their recommendation, which the Director of Schools and Children's Development will then ratify.

Once the decision has been ratified the Admissions Service will inform the school and parents of the decision.

Parents still retain their right of appeal against any decision made by the Local Authority through this protocol.

Monitoring

The Admissions Service will provide regular updates and an annual report on the placement of pupils through the Fair Access Protocol to the Harrow Admissions Forum.
