Section 2 – Report

Introductory paragraph

Cabinet on 9th September 2004 agreed to sit in the role of Performance Board on a quarterly basis and to receive the Strategic Performance Report. The report helps members to monitor progress against the Council's vision and corporate priorities and identify corrective action where necessary.

As indicated in the Quarter 1 report, in recognition of the move from Comprehensive Performance Assessment (CPA) to Comprehensive Area Assessment (CAA), the indicators used in this report reflect the new National Indicator Set, so far as data is currently available. Comparator data will often not be available until after April 2009.

As for Quarter 1, the report is structured in sections, covering each Corporate Priority in turn and showing how this is being met through performance indicators and delivery of the Council's Flagship Actions. A separate Appendix shows the Corporate Balanced Scorecard of indicators for 2008/09.

The Appendix contains the updated report for Quarter 3 2008/09 for members' consideration.
