Dear Mr Stavrinou,

Please find attached additional information for the next Grant Committee Meeting. I have spoken to Cyril Harrison and he has agreed for the item to be put on the agenda. Please note that the papers already submitted by our chairman John Hinkley are part of the Appendix (pages 11 - 17) The attached document represents pages 1 - 10. I will try and drop a hard copy at the Council if I can.

Yours sincerely,

Cllr Nana Asante
