

Statutory Proposals for High Schools

The statutory proposals are to lower the lower age limit for high schools. This will establish secondary schools. There are also statutory proposals to expand the schools. Rooks Heath also has a statutory proposal to increase pupil numbers due to its increase in Planned Admission Number. The individual school proposals are outlined as follows:

Bentley Wood High School

- Bentley Wood High School becomes a secondary school with a planned admission number of 180 students per year.
- As a secondary school for girls, Bentley Wood would have capacity for 900 students aged 11 – 16, plus sixth form.

Canons High School

- Canons High School becomes a secondary school with a planned admission number of 180 students per year.
- As a secondary school, Canons would have capacity for 900 students aged 11 – 16, plus sixth form.

Harrow High School

- Harrow High School becomes a secondary school with a planned admission number of 180 students per year.
- As a secondary school, Harrow High would have capacity for 900 students aged 11 – 16, plus sixth form.

Hatch End High School

- Hatch End High School becomes a secondary school with a planned admission number of 300 students per year.
- As a secondary school, Hatch End would have capacity for 1,500 students aged 11 – 16, plus sixth form.
- The School will continue to have specialist provision for students with hearing impairment.

Nower Hill High School

- Nower Hill High School becomes a secondary school with a planned admission number of 300 students per year.
- As a secondary school, Nower Hill would have capacity for 1,500 students aged 11 – 16, plus sixth form.
