Based on Harrow Council's guideline rent

Impact on Subsidy due to reduction in Guideline Rent Original Determination 2009/10 (December 2008)	£	Increase %	£	No of Properties per determination	Increase per week from 2008/09
Final Determination 2008/09	82.56				
Original Determination 2009/10 (December 2008) Less: Void Allowance 2% Total Guideline Rent Included in Subsidy	87.57	6.07%	23,073,294 461,466 22,611,828	5,067	£5.01
Revised Determination 2009/10 (April 2009)					
Final Determination 2008/09	82.56				
Revised Determination 2009/10 (Reduction of: 6.07-3.1=2.97) Less: Void Allowance 2% Revised Guideline Rent for 2009/10	85.01	2.97%	22,398,775 447,975 21,950,799	5,067	£2.45
Reduction in Negative Subsidy			661,029	•	
Actual Rental Income Projection Actual Average Rent 1.04.08 2009/10 Rent per rent setting in Feb 09 Actual Average Rent 1.04.09	81.55 86.57	6.15%	22,823,315	5,070	
Less: Void level of 0.7%			151,752		
Budget Approved on 19th February 2009			22,671,563		
Proposed Change according to Revised Determination (April 2009)					
Actual Average Rent 1.04.08	81.55				
2009/10 Rent per rent setting in Apr 09					
Actual Average Rent 1.04.09	83.97	2.97%	22,138,387	5,070	£2.42
However, since average rent increase is less than £2.45 (guideline rent), CLG allows use of £2.45. Less: Void level of 0.7%	84.00	3.00%	22,145,769 145,941 21,999,829	5,070	£2.45
Estimated Actual Rent Reduction			671,734	:	
Impact (loss) on HRA budget set in February 2009			10,705		

NB: There is difference of 3 units between dwelling stock for subsidy purposes and rental income calculation. The council has 5 dwellings which are classed as Houses in Multiple Occupation (where facilities are shared). For subsidy purposes these are classified 2 whole equivalent dwellings.
