DRAFT**COMMUNITY SCHOOL ADMISSION ARRANGEMENTS 2011
DEFINITION OF TERMS USED IN COMMUNITY SCHOOL ADMISSION RULES****Distance***

The home address is where a child normally lives. Distance is measured in a straight line from home to school, using a computerised mapping system based on ordnance survey data. Harrow community schools are mapped onto the system, including all official entry points. The journey is measured in a straight line from the unique address point for the home address to the closest school gate as defined by the school.

In cases where applicants live equidistant from the preferred school and places cannot be offered to both children, the available place will be allocated using a random computer selection. This will also be the case in the event of multiple birth applications.

Home address**

This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications. Confirmation of address will be required.

Where a child lives with parents with shared responsibility, each for a part of a week, the home address will be taken as the address of the parent who receives child benefit. In cases where parents are not eligible for child benefit the address will be that of the parent where the child is registered with the doctor.

Sibling***

A sibling means a child's brother or sister.

However, Harrow Council recognises that family arrangements can vary considerably and wishes to ensure that where children live as brother and sister in the same household they are treated in the same way as siblings for admissions purposes. The sibling priority does not include cousins or other extended family members who live in the same household, but will include step-brothers/sisters and foster children.

Twins, triplets and other multiple-birth children:

1. Infant classes: Twins and other multiple-birth children to be offered the same primary school. This is with the proviso that the School Admissions Code of Practice is amended to include twins and other multiple birth children as exceptions for infant class sizes.
2. For all other admissions: In cases where only one place is available and twins tie for the last available place, then both will be offered even if this exceeds the planned admission number.
3. Secondary transfer (11+): When using the random allocation criterion for admission to Bentley Wood High School, twins will be allocated the same random number.
4. Where one twin has a Statement of Special Educational Needs that names a specific school, the other twin will be treated as having a sibling link for that academic year.

Children looked after by a local authority

This term refers to children who are subject to care orders and those who are accommodated by the Authority.

Medical claims

For primary and high schools

The accompanying letter from the hospital consultant must name the school and say why, in his/her view, this school is the most suitable to meet the child's/parent's needs.

If the school is not the closest to home, the consultant must set out in detail the wholly exceptional circumstances for attending this school and the difficulties if the child had to attend another school.

For high schools only

Parental medical claims solely on the grounds of the young person's need to be accompanied on the journey to school will not be allowed as at secondary school age young people are expected to travel independently.

ADMISSION TO HARROW COMMUNITY SCHOOL NURSERY CLASSES

If more applications are received than there are places in a Nursery, places will be allocated the children in date of birth order, with older children being offered places before younger children, as follows:

- First Children, in date of birth order, who are Looked After¹ by a local authority.
- Next Children, in date of birth order, referred by Harrows Special Education Needs Assessment and Review Service.
- Next Other children, in date of birth order.

If, under any criterion, there are more children with the same date of birth than there are places remaining in the nursery, then the available places will be offered to child(ren) who live closest. Distance will be measured in a straight line from the home address to the entrance to the nursery.

Children who live outside the borough may be offered a place when all demand from Harrow residents has been satisfied.

Children can attend Nursery either in the mornings or afternoons. Parents can say on the application form if they prefer the mornings or afternoons, or if either session is acceptable.

A place in a nursery class does **NOT** give any priority for a place in a Reception class in that school. Parents need to make a separate application for a First School place.

¹Children who are subject to care orders and those who are accommodated by a local authority

HOW PLACES WILL BE ALLOCATED IN COMMUNITY PRIMARY SCHOOLS

ADMISSION TO RECEPTION CLASS

If more applications are received than there are places available, places are offered up to a school's planned admissions number to applicants whose application is received by the closing date in the following priority using an equal preference system (see below).

EQUAL PREFERENCES

Each preference is treated as a separate application. We then work out how well applicants qualify for each school using the admission rules. If applicants qualify for a place at more than one school, a place is offered at the one given the highest ranking.

If more applications are received in any one criterion than there are places available the admission rules will be re-applied followed by the 'tie-breaker' of distance, measured in a straight line.

a) Children looked after by a local authority

b) Medical reasons relevant to pupil

Children where there are special medical reasons for seeking a place at the preferred school. Claims on medical grounds will only be considered for the school closest to the child's home address except in wholly exceptional circumstances. Applications made on medical grounds must be accompanied by supporting evidence from a Consultant at the time of application. This letter must provide full details about the child's medical condition, the effects of this condition and why, in view of this, the child needs to attend the preferred school. In assessing these applications advice, as appropriate, will be sought from Harrow's Special Education Needs Service.

c) Medical reasons relevant to parent(s)

Parent(s) with special medical reasons for seeking a place for their child at their preferred school. Such requests will only be considered for the school closest to the home address, except in wholly exceptional circumstances. Applications will only be considered for the parent(s) with whom the child lives and must be accompanied by supporting evidence from a Consultant at the time of application. This letter must provide full details about the parent's medical condition, the effects of this condition and why, in view of this, the child needs to attend the preferred school. In assessing these applications advice, as appropriate, will be sought from Harrow's Special Educational Needs Service.

d) **Sibling link (i.e. older brothers/sisters)**

Children with a brother or sister attending the infant school or linked junior school at the time of admission.

e) **Distance**

Children living nearest to the school measured in a straight line from home to school. This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications.

LATE APPLICATIONS/CHANGES TO THE APPLICATION FORM AFTER THE CLOSING DATE

Application forms must be received by Harrow Council by the closing date of 15 January 2011.

Applications for school places are dealt with differently depending on whether we receive them late or by the closing date. Additionally, any changes to the application (eg order of school preference or change of address) received, or that come into effect, after the closing date will be treated in the same way as a late application (see below).

Applications received by the closing date will be processed first. Applications received after the closing date will NOT be considered until all other applications have been dealt with.

However, in very exceptional cases applications received after the closing date may be considered. The following are some example of exceptions that may apply provided the application is received by 15 February 2011:

- If your family has just moved house you will be asked to provide:
 - a letter from your solicitor confirming completion date which must be on or before 15 February 2011
 - a formal tenancy agreement from a letting/estate agent, which comes into effect on or before 15 February 2011

- If you are returning from abroad you will need to provide:
 - a council tax bill confirming re-occupation of your property by 15 February 2011 if your property has not been occupied
 - confirmation that tenancy has ceased by 15 February 2011 and that you will re-occupy your property if it has been rented during your absence
 - confirmation from your employer that you will return to live in Harrow on or before 15 February 2011 if you were seconded abroad.

- If a single parent has been ill for some time, or there has been a recent death of an immediate family member (evidence of this will be required).

WAITING LISTS

Parents/carers can ask for their child's name to be put on the waiting list for any Harrow community school listed higher on their list of preferences. Applications to go on the waiting list for schools listed as a lower preference will not be considered unless there are exceptional circumstances. Documentary evidence will be required. Applicants who completed an on time application but did not name the school as one of their original preference(s) may apply for their child's name to be added to the waiting list.

Waiting lists are not a 'first come - first served' list and so time on the list does not give any priority. Waiting lists are kept in the priority order as explained in the admission rules.

Places are offered from the waiting list throughout the year. When a place becomes available, it is offered to the first child on the list and if it is accepted all other children will move up the list. Children may also move down the waiting list if another family, with a higher priority under the admission rules, ask for their child's name to be added to the list.

Applicants who ask for their child's name to be placed on the waiting list for another school, after a school place has been allocated, are indicating they prefer this school to the school already allocated. If at a later date a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn.

APPEALS

Parents/carers can appeal against any decision made by Harrow about the school where they would like their child to be educated.

When an appeal form is requested, the child's name is automatically placed on the waiting list for that school. Parents/carers can ask for their child's name to be put on the waiting list for any other school.

Any child admitted to the school as a result of an appeal will take precedence over others on the waiting list.

ADMISSION TO HARROW COMMUNITY JUNIOR SCHOOLS

If more applications are received than there are places available, places are offered up to a school's planned admissions number to applicants whose application is received by the closing date in the following priority using an equal preference system (see below).

EQUAL PREFERENCES

Each preference is treated as a separate application. We then work out how well applicants qualify for each school using the admission rules. If applicants qualify for a place at more than one school, a place is offered at the one given the highest ranking.

If more applications are received in any one criterion than there are places available the admission rules will be re-applied followed by the 'tie-breaker' of distance, measured in a straight line.

a) Children looked after by a local authority

b) Children attending the linked infant school

All children currently attending Year 2 in the linked first school even if this number is greater than the middle school's standard number.

c) Medical reasons relevant to pupil

Children where there are special medical reasons for seeking a place at the preferred school. Claims on medical grounds will only be considered for the school closest to the child's home address except in wholly exceptional circumstances. Applications made on medical grounds must be accompanied by supporting evidence from a Consultant at the time of application. This letter must provide information about the child's medical condition, the effects of this condition and why, in view of this, the child needs to attend the preferred school. In assessing these applications advice, as appropriate, will be sought from Harrow's Special Education Needs Placement Panel.

d) Medical reasons relevant to parent(s)

Parent(s) with special medical reasons for seeking a place for their child at their preferred school. Such requests will only be considered for the school closest to the home address, except in wholly exceptional circumstances. Applications will only be considered for the parent(s) with whom the child lives and must be accompanied by supporting evidence from a Consultant at the time of application. This letter must provide information about the parent's medical condition, the effects of this condition and why, in view of this, the child needs to attend the preferred school. In assessing these applications advice, as appropriate, will be sought from Harrow's Special Educational Needs Placement Panel.

f) Sibling link (i.e. brothers/sisters)

Children with a brother or sister attending the junior school or the linked infant school at the time of admission.

g) Distance

Children living nearest to the school measured in a straight line from home to school. This must be the address where parent and child normally live and they must be living there on the closing date for receipt of applications.

LATE APPLICATIONS

Application forms must be received by Harrow Council by the closing date of dd mm yy. Applications received after the closing date will be dealt with after those received by that date have been considered. Places will be offered at school(s) that still has vacancies.

WAITING LISTS

Parents/carers can ask for their child's name to be put on the waiting list for any Harrow community school listed higher on their list of preferences. Applications to go on the waiting list for schools listed as a lower preference will not be considered unless there are exceptional circumstances. Documentary evidence will be required. Applicants who completed an on time application but did not name the school as one of their original preference(s) may apply for their child's name to be added to the waiting list.

Waiting lists are not a 'first come - first served' list and so time on the list does not give any priority. Waiting lists are kept in the priority order as explained in the admission rules.

When a place becomes available, it is offered to the first child on the list and if it is accepted all other children will move up the list. If at a later date a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn.

APPEALS

Parents/carers can appeal against any decision made by Harrow about the school where they would like their child to be educated.

When an appeal form is requested, the child's name is automatically placed on the waiting list for that school. Parents/carers can ask for their child's name to be put on the waiting list for any other school.

Any child admitted to the school as a result of an appeal will take precedence over others on the waiting list.

ADMISSION TO COMMUNITY PRIMARY SCHOOL AFTER THE MAIN ALLOCATION

A place will be offered at the school requested provided there is a vacancy in the appropriate year group. Where the year group is full and it is not possible to meet parental preference, a place will be offered at the nearest community primary school with a vacancy in the year group.

The address used to process the application will be the address where the parent and child normally live and they must be living there at the time of application.

Admission of one child to a primary school does not give a right of admission for brothers or sisters, if places are not available for all at the same time.

LATE APPLICATIONS

Applications received after the closing date will be dealt with after those received by that date have been considered. Places will be offered at schools that still have vacancies.

WAITING LISTS

Parents/carers can ask for their child's name to be put on the waiting list for any Harrow community school listed higher on their list of preferences. Places are offered from the waiting list throughout the year. When a place becomes available, it is offered to the first child on the list and if it is accepted all other children will move up the list. PAN LONDON CO-ORDINATED ADMISSIONS SYSTEM

Template Scheme for Co-ordination of Admissions to Year 7 in September 2011

Applications

1. Harrow will advise home LAs of their resident pupils on the roll of Harrow's maintained primary schools who are eligible to transfer to secondary school in the forthcoming academic year.
2. Applications from residents of Harrow will be made on Harrow's Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule 1 to this Template LA Scheme. These will be supplemented by any additional fields and information which are deemed necessary by Harrow to enable the admission authorities in the LA area to apply their published oversubscription criteria.
3. Harrow will take all reasonable steps to ensure that every parent/carer who is resident in Harrow and has a child in their last year of primary education within a maintained school, either in Harrow or any other maintaining LA, receives a copy of Harrow's admissions booklet and Common Application Form, including details of how to apply online. The admissions booklet will also be available to parents/carers who do not live in Harrow, and will include information on how they can access their home LA's Common Application Form.
4. The admission authorities within Harrow will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary information forms are used by the admissions authorities within Harrow, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with paragraph 1.83 of the School Admissions Code.
5. Where supplementary information forms are used by admission authorities in Harrow, they will be available on Harrow's website. Such forms will advise parents that they must also complete their home LA's Common Application Form. Harrow's admission booklet and website will indicate which schools in Harrow require supplementary forms to be completed and where they can be obtained.
6. Where an admission authority in Harrow receives a supplementary information form, Harrow will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Common Application Form, in accordance with paragraph 3.7 of the School Admissions Code.
7. Applicants will be able to express a preference for six maintained secondary schools or Academies within and/or outside the Home LA (and any City Technology College that has agreed to participate in their LA's Qualifying Scheme).
8. The order of preference given on the Common Application Form will not be revealed to a school within the area of Harrow in accordance with paragraph 1.76 of the School Admissions Code. However, where a parent resident in Harrow expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.

9. Harrow undertakes to carry out the address verification process set out in its entry in the Business User Guide. This will in all cases include validation of resident applicants against Harrow's primary school data and the further investigation of any discrepancy. Where Harrow is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than **10 December 2010**.
10. Harrow will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is a 'Child Looked After' and will provide evidence to the maintaining LA in respect of a preference for a school in its area by **15 November 2010**.
11. Harrow will advise a maintaining LA of the reason for any preference expressed for a school in its area, in respect of a resident child born outside of the correct age cohort, and will forward any supporting documentation to the maintaining LA by **15 November 2010**.

Processing

12. Applicants resident within Harrow must return the Common Application Form, which will be available and able to be submitted on-line, to Harrow by **31 October 2010**. However, Harrow will publish information which encourages applicants to submit their application by **22 October 2010 (i.e. the Friday before half term)**, to allow it sufficient time to process and check all applications before the mandatory date when data must be sent to the PLR).
13. Application data relating to preferences for schools in other participating LAs will be uploaded to the PLR by **15 November 2010**. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.
14. Harrow shall, in consultation with the admission authorities within Harrow's area and within the framework of the Pan-London timetable in Schedule 3A, determine and state its own timetable for the processing of preference data and the application of published oversubscription criteria.
15. Harrow will accept late applications only if they are late for a good reason, deciding each case on its own merits.
16. Where such applications contain preferences for schools in other LAs, Harrow will forward the details to maintaining LAs via the PLR as they are received. Harrow will accept late applications which are considered to be on time within the terms of the home LA's scheme.
17. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA's scheme is **10 December 2010**.
18. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA will accept the application as on-time up to **10 December 2010**, on the basis that an on-time application already exists within the Pan-London system.
19. Harrow will participate in the application data checking exercise scheduled between **13 December 2010 and 4 January 2011** in the Pan-London timetable in Schedule 3A.

20. All preferences for schools within Harrow will be considered by the relevant admission authorities without reference to rank order in accordance with paragraphs 1.76 and 2.16 of the School Admissions Code. When the admission authorities within Harrow have provided a list of applicants in criteria order to Harrow, Harrow shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. [This is the 'Equal Preference System'.]
21. Harrow will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS before uploading data to the PLR.
22. Harrow will upload the highest potential offer available to an applicant for a maintained school or academy in Harrow to the PLR by **2 February 2011**. The PLR will transmit the highest potential offer specified by the Maintaining LA to the Home LA.
23. The LAS of Harrow will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved, or until **15 February 2011** if this is sooner.
24. Harrow will not make an additional offer between the end of the iterative process and 1 March 2011 which may impact on an offer being made by another participating LA.
25. Notwithstanding paragraph 24, if an error is identified within the allocation of places at one of Harrow's schools, Harrow will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a home or maintaining LA) Harrow will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, Harrow will accept that the applicant(s) affected might receive a multiple offer.
26. Harrow will participate in the offer data checking exercise scheduled between **16 and 23 February 2011** in the Pan-London timetable in Schedule 3A.
27. Harrow will send a file to the E-Admissions portal with outcomes for all resident applicants who have applied online no later than **23 February 2011**. (33 London LAs & Surrey only).

Offers

28. Harrow will ensure, so far as is reasonably practical, that each resident applicant who cannot be offered a preference expressed on the Common Application Form receives the offer of an alternative school place. This will normally be the closest school with a vacancy to the home address.
29. Harrow will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.
30. Harrow's outcome letter will include the information set out in Schedule 2.
31. **On 1 March 2011**, Harrow will send by first class post notification of the outcome to resident applicants.

32. Harrow will provide primary schools with destination data of its resident applicants by the end of the Summer term **2011**.

Post Offer

33. Harrow will request that resident applicants accept or decline the offer of a place by **16 March 2011**, or within two weeks of the date of any subsequent offer.
34. Where an applicant resident in Harrow accepts or declines a place in a school maintained by another LA by **16 March 2011**, Harrow will forward the information to the maintaining LA by **23 March 2011**. Where such information is received from applicants after **16 March**, Harrow will pass it to the maintaining LA as it is received.
35. Harrow will inform the home LA, where different, of an offer for a maintained school or Academy in Harrow's area which can be made to an applicant resident in the home LA's area, in order that the home LA can offer the place.
36. When acting as a maintaining LA, Harrow will not inform an applicant resident in another LA that a place can be offered. Admission authorities within this LA will not inform any applicant that a place can be offered in advance of such notification being sent to the applicant by the home LA.'
37. Harrow will offer a place at a maintained school or Academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the Common Application Form than any school already offered.
38. Where Harrow is informed by a maintaining LA of an offer which can be made to an applicant resident in Harrow's area which is ranked lower on the Common Application Form than any school already offered, it will inform the maintaining LA that the offer will not be made.
39. Where Harrow, acting as a home LA, has agreed to a change of preference order for good reason, it must inform any maintaining LA affected by the change. In such cases, paragraphs 36 and 37 shall apply to the revised order of preferences.
40. Harrow will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
41. Harrow will accept new applications (including additional preferences) from home LAs for maintained schools and academies in its area.
42. Applicants not offered a place in a Harrow community school will be advised of their right of appeal.
43. Applicants will also be advised about the process for being placed on the waiting list for school(s) ranked higher on the Common Application Form than any school already offered.
44. Applicants who ask for their child's name to be placed on the waiting list for a higher ranked school, after a school place has been allocated, are indicating they prefer this school to the school already allocated. If at a later date a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn under the co-ordinated admission arrangements.

Template Outcome Letter for Admissions to Year 7 and Reception in September 2011

From: Home LA

Date: **1 March 2011 (sec)**

4 April 2011 (prim)

Dear Parent,

Application for a Secondary / Primary School

I am writing to let you know the outcome of your application for a secondary/primary school. Your child has been offered a place at X School. The school will write to you with further details.

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places and other applicants had a higher priority than your child under the school's published admission criteria.

Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.

For Harrow community schools, the attached information explains how places were allocated and why it was not possible to offer a place for your child. If you would like more information about the reason that your child was not offered a place at any other school(s), you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in Harrow are attached to this letter. If the school is outside Harrow the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child's education.

If you wish to apply for any school other school, in this borough or elsewhere, you must obtain an application form from this office.

You can also request that your child's name is placed on the waiting list for a school which was a higher preference on your application form than the school you have been offered. If the school is in this borough, you can use the enclosed reply slip and return it to this office. If the school is in another borough, you will need to contact the school or the borough concerned.

Please return the reply slip to me by 16 March 2011 (sec)/19 April 2011 (prim) . If you have any questions about this letter, please contact me on _____.

Yours sincerely

2. The CAF will be used for the purpose of admitting pupils into the first year of junior education to Harrow community junior schools where the age of transfer is in Year 3 in the specified year.
3. Applications for Harrow community junior schools will be made on this authority's CAF. This will include all the fields and information specified in Schedule 1 to this LA Scheme. These will be supplemented by any additional fields and information where deemed necessary by this LA.
4. As part of its Scheme of Co-ordination, Harrow will make its CAF available to enable out-borough applicants to apply for Harrow community junior schools. Applicants from out-borough will return the form to Harrow for processing. Harrow will advise the home LA of any applications received.
5. Harrow will make appropriate arrangements to ensure that:
 - a CAF is sent to children on roll in Year 2 in Harrow infant schools
 - the CAF is available on request from this LA and Harrow community infant schools
 - the CAF is accompanied by a written explanation of admissions rules and the co-ordinated admissions scheme.
6. The CAF will –
 - invite parents to list three Harrow community junior schools in rank order of preference
 - invite parents to give their reasons for each preference.
7. As the admission authority Harrow will not use supplementary forms except where the information available through the CAF is insufficient for consideration of the application against the published admissions criteria.
8. The order of preference given on the CAF will not be revealed to schools within Harrow.

PART 2 : PROCESSING

1. Applications for admission to Year 3 in separate junior schools will be made on Harrow's Common Application Form. Personalised pre-printed forms will be provided for all pupils attending Harrow community infant schools. Other applicants will be able to get a form from the school or the Local Authority.
2. All applicants whether resident within Harrow or outside the borough must return the CAF to Harrow by dd mm yy.
3. Harrow will allocate places according to the Council's admissions rules. For each applicant to its schools for whom more than one potential offer is available, this LA will use the highest ranked preference to decide which single potential offer to make.
4. Up to dd mm yy, Harrow LA will accept late applications only if they are late for a good reason up to. Examples of what will be considered as good reason include: when a single parent has been ill for some time, or has been dealing with the death of an immediate family member; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a property within this LA will be required in these cases).
5. Applications received after the date in 3. above will be considered only after those received by this date have been processed. As far as possible late applicants will be offered a place on dd mm yy, but the closer to this date that an application is received, the less likely it will be that an offer will be made on that date.
6. The LAS of this LA will eliminate all but the highest ranked offer where an applicant has more than one potential offer.

PART 3 : OFFERS

1. Where a child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
2. Where a child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
3. Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate Harrow junior school with a vacancy.
4. On dd mm yy all applicants will be notified by first class post of the school where a place has been allocated. The letter will give the following information:
 - The name of the school at which a place is offered.
 - The reasons why the child is not being offered a place at each of the other schools nominated on the CAF.
 - Information about their statutory right of appeal against the decisions to refuse places at other nominated school.
 - Information about how to place their child's name on the waiting list for any Harrow community junior school(s).
5. Harrow will inform neighbouring authorities of any school offered to applicants that live in their area.

6. dd mm yy is the deadline for parents to accept the place offered. If they do not respond by this date it will be assumed that they have accepted the place.
7. Harrow shall use the form of Notification Letter set out in Schedule 3.
8. Harrow will provide its community infant schools with destination data of its resident applicants by the end of the Summer term 2011.

PART 4 : POST-OFFER

1. Applicants not offered a place in a Harrow community infant school will be advised of their right of appeal.
2. Applicants will also be advised about the process for being placed on the waiting list for school(s) ranked higher on the Common Application Form than any school already offered.
3. Applicants who ask for their child's name to be placed on the waiting list for a higher ranked school, after a school place has been allocated, are indicating they prefer this school to the school already allocated. If at a later date a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn under the co-ordinated admission arrangements.

Outcome Letter for Admissions to Year 3 in Harrow community junior schools

Date: dd mm yy

Dear Parent,

Application for a Harrow Junior School

I am writing to let you know the outcome of your application for a Harrow junior school. Your child has been offered a place at X School. The school will write to you with further details.

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants had a higher priority than your child under the school's published admission criteria.

Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.

The attached information explains how places were allocated and why it was not possible to offer a place for your child.

You have a right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child's education.

You can also request that your child's name is placed on the waiting list for a school which was a higher preference on your application form than the school you have been offered. You can use the enclosed reply slip and return it to this office. d.

Please return the reply slip to me by dd mm yy. If you have any questions about this letter, please contact me on _____.

Yours sincerely

“the Home LA” the LA in which the child is resident

“the Maintaining LA” the LA which maintains a school to which an applicant has applied

Section 1: Applications

1. Applications for children resident in Harrow will be made on Harrow’s Common Application Form. This will include all the fields and information specified in Schedule 1 of this scheme. These will be supplemented by any additional fields and information which are deemed necessary by Harrow to enable the admission authorities in the LA area to apply their published oversubscription criteria.
2. Harrow will allow parents to submit an online enquiry through the LA website to express an interest in applying for a school place in-year.
3. The admission authorities within Harrow will not use supplementary forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary forms are used by the admissions authorities within Harrow, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with paragraph 1.83 of the School Admissions Code.
4. Where supplementary forms are used, they will be available from the school concerned and available on Harrow’s website. Any supplementary forms must advise parents that they must also complete their Home LA’s Common Application Form. Harrow’s admission booklet and website will indicate which of Harrow’s schools require supplementary forms to be completed and where they can be obtained.
5. Where an admission authority in Harrow receives a supplementary form, it will not consider it to be a valid application until the parent has also listed the school on their Home LA’s Common Application Form in accordance with paragraph 3.7 of the School Admissions Code.
6. Applicants will be able to express a preference for four maintained primary / secondary schools or Academies within and/or outside Harrow (and any City Technology College that has agreed to participate in their LA’s Scheme). Harrow will accept any preference received from a Home LA for a maintained school or academy in its area.
7. The order of preference given on the Common Application Form will not be revealed to a school within the area of Harrow in accordance with paragraph 1.76 of the School Admissions Code. However, where a parent of a child resident in Harrow expresses a preference for schools in the area of another LA, the order of preference for that LA’s schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where a child is eligible for a place at more than one school in that LA’s area.

8. Harrow undertakes to carry out address verification for each application made by a resident within Harrow. Where Harrow is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA as soon as it becomes apparent.
9. Harrow will check the status of any applicant who is a 'Looked After' child and provide evidence to the maintaining LA in respect of a preference for a school not in Harrow's area as soon as it is received.
10. Harrow will advise a maintaining LA of the reason for any preference expressed for a school not in Harrow's area, in respect of a resident child, and will forward any supporting documentation to the maintaining LA as soon as it is received.

Section 2: Processing

11. Applicants with children resident within Harrow must complete and return the Common Application Form to Harrow.
12. An application for a child resident outside of Harrow will not be considered until a Common Application Form has been fully completed and returned to the Home LA.
13. Where an application is not fully completed, Harrow will not treat the application as valid until all information is received.
14. Harrow will aim to share fully completed application data with other LAs, where it relates to preferences for schools in that LA, within **5 working days** of the application being fully completed. Harrow will aim to share supplementary information received with the Common Application Form with maintaining LAs by the same date.
15. Where the LA has access to the Pan London Support Site, application data will be exchanged through the document exchange. Alternative secure arrangements will be made to forward data and supporting information to LAs that do not have access to this site.
16. Where it is the policy of this maintaining LA to request background information from a previous school before a place is offered, acting as a Home LA, it will pass any information so obtained to a maintaining LA with whom it has shared application data, as soon as this is received.
17. Harrow will send details of applications to its VA schools via **TO BE AGREED WITH VA SCHOOLS**
18. Harrow VA schools will follow the same timetable as community schools for applications for the start of Autumn, Spring and Summer Terms.
19. Harrow VA schools will aim to inform the LA of the outcome of any application within **10 school days** from receipt of the application.

Section 3: Offers

20. Where a child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
21. Where a child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
22. Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy.
23. Harrow will aim to share the outcome of an application for one of its schools with the Home LA within **10 school days** of receiving the data. (Where it is clear to Harrow that no vacancy exists for the child, Harrow will inform the Home LA as soon as possible after receipt of the application data). If it has not been possible to make a decision within **10 school days**, Harrow undertakes to send details of the outcome of an application for one of its schools to the Home LA as soon as a decision is made, but within at least **20 school days** of receiving the application data.
24. Where it has not been possible to share the outcome of an application for any school within **10 working days** of receiving the data, Harrow understands that the Home LA may send an outcome letter advising the parent that a decision has not yet been made in respect of Harrow's school.
25. Acting as Home LA, Harrow will eliminate all but the highest ranked offer where an applicant has more than one potential offer across maintaining LAs submitting information within **10 working days**, and where it has been informed by a maintaining LA that a place is available, will advise that LA whether or not the place is required.
26. Acting as Home LA, Harrow will satisfy itself that each applicant's date of birth is correct.
27. Acting as Home LA, Harrow will inform each applicant within its area of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, including, if outcomes are not yet known, whether they were for schools in the Home LA or in other LAs.
28. Harrow shall use the form of Notification Letter set out in Schedule 2.
29. Where it has not received an outcome for a school within another maintaining LA which is a higher preference than the school offered, Harrow, as Home LA, will case manage that application until an outcome can be sent in respect of each higher preference school named on the Common Application Form.
30. Where a parent moves from one Home LA to another after submitting an application, the previous Home LA will pass responsibility to the new Home LA who, once they are satisfied that the applicant has moved, will accept responsibility for the applicant.

Section 4: Post-offer

31. Harrow will request that resident parents accept or decline the offer of a place within two weeks.
32. Where a parent does not respond within this timeframe and the application is for an out-borough school, Harrow, will make every reasonable effort to contact the parent to find out whether or not they wish to accept the place, and if it is for an out-borough school, will liaise with the maintaining LA, who will in turn liaise with the school. Only where the parent fails to respond and Harrow can demonstrate that every reasonable effort has been made to contact the parent, will the offer of a place be withdrawn on behalf of the admission authority
33. Where a parent resident in Harrow accepts or declines a place in a school maintained by another LA, Harrow will forward the information to the maintaining LA as soon as it is received.
34. Harrow will aim to inform the Home LA whether a child offered a place at a school in its area has been placed on roll at the school within **5 working days** of being placed on roll.
35. Harrow will notify the Home LA of any appeals that are upheld for Harrow's schools.

Section 5: Waiting Lists

36. Acting as maintaining LA, applicants will only be placed on the waiting lists for schools in Harrow at the request of the Home LA.
37. Where a place is available to be offered from the waiting list to a child resident in another LA, Harrow will advise the Home LA so that they might formally offer the place.
38. Where Harrow is informed that another LA is able to offer a place from the waiting list to one of its residents, it will send the outcome letter to the applicant.

Further to your request for a school place. I am sorry to inform you that it was not possible to offer «ChildFname» a place at any of the schools you named as a preference on your application form. This is because each school was either full or there were more applications than places, and other applicants had a higher priority than «ChildFname» under the school's published admission criteria. If you would like to add «ChildFname»'s name on the waiting lists of the schools you named on your application form, please indicate this on the attached reply slip.

«ChildFname» can be offered a place at (Name of School). I appreciate that you did not name this school as a preference, but this is the nearest school to your home address with a vacancy and Harrow is obliged to make you an offer of a school place if there are places available.

We would strongly advise you to visit the school before making a decision as this will give you an opportunity to discuss any concerns with the headteacher. Please contact (Name of School Contact) on 020..... to arrange a visit. Please be assured that accepting this place does not affect «ChildFname»'s position on any waiting list or your right of appeal..

PART F

Admission to Harrow Sixth Form Collegiate

All students may continue to study in the sixth form of their current school, providing they meet the academic entry requirements of their selected courses.

A collegiate system operates at sixth form level within Harrow and some courses are offered through this arrangement. As a result some students from other schools and/or colleges join courses at a particular sixth form and some students from the school may join sixth form courses in other schools and/or colleges.

Applications should be made to the school by (date to be agreed).

FAIR ACCESS PROTOCOL

This protocol applies only to children living in Harrow. Confirmation of residence will be required.

Which children are covered?

- A child looked after by a Local Authority and who does not have a school place including CLA who can be treated as “excepted pupils” for an infant class places.
- Newly arrived young people where no school place is available (eg refugees, asylum seekers, families moving into Harrow from other parts of the UK or abroad).
- Children who have been permanently excluded or for whom a managed move has been agreed by the Rapid Intervention Team.
- Newly arrived Year 11 students whose first language is not English.

Which children are not covered?

- Children on roll in school where the parent is seeking a transfer to another school.
- Newly arrived children where a school place has been allocated but the parents have not taken up the place / the child has not started at the school.

Which schools are involved in this protocol?

All Harrow community and voluntary aided schools

When will the protocol apply?

1. Harrow resident pupils who have been permanently excluded or for whom a managed move has been agreed by the Rapid Intervention Team.

For permanently excluded pupils – Either when an Independent Appeal Panel has decided not to direct reinstatement or, if there is no appeal, on the day after the last date on which an appeal may be made or on the day (if earlier) the parent/carer notifies the LA that they do not intend to appeal.

For Managed Move pupils – immediately after the decision is made by the RIT.

2. For CLA or children arriving in Harrow where no school place is available.

Cases will be referred to the next meeting of the Fair Access Panel as soon as the Harrow Admissions Service identifies it is not able:

- For secondary pupils – to offer a place because all schools in the relevant year group are full.
- For primary pupils – to offer a place because there is no school with a vacancy within a reasonable distance of the home address. As far as is possible, primary pupils will be shared equally across the borough. Wherever possible, cases will not be referred to the Fair Access Panel if this would have a consequent impact on Infant Class Legislation (ie would result in more than 30 children in one teaching group). The School Admissions Code of Practice makes allowance for the entry of an additional child in very limited circumstances ie children who move into the area outside the normal admissions round for whom there is no other available school within reasonable distance.

When will the Fair Access Panel meet?

Meetings of the Fair Access Panel are scheduled in advance and are generally held every two weeks during term time. If required a meeting is held during school holidays, usually the week before term starts, so that parents can be notified of the school allocated before the start of term.

Process for determining allocation of places

- Harrow resident pupils who have been permanently excluded or for whom a managed move has been agreed by the Rapid Intervention Team. Pupils will be placed in another mainstream school, even if the year group concerned is full. Secondary pupils will be referred to another high school on a rota basis. Primary pupils will be referred to the next nearest school to their home address. A primary school will not normally be expected to take more than one excluded pupil per year group in each academic year.
- Applications for CLA or children arriving in Harrow where no school place is available will be referred to the next meeting of the Admissions Panel.

For both primary and secondary pupils the Admissions Service will provide the Members of the Fair Access Panel with the following details to inform their decision:

- The pupil's date of birth and year group.
- The school(s) the parent has named on their application together with the number of places available, the number of children currently on roll and the number on roll if all cases admitted.
- Names of the schools closest the child's home address together with the number of places available, the number of children currently on roll and the number on roll if all cases admitted.
- Whether the child is looked after and name of the care authority
- Names and dates of birth of siblings attending any of the schools identified.
- Any known special educational needs.
- Any known religious, philosophical or other reasons for parental preference. Wherever possible children will be allocated a school of their faith.
- Any information provided by the school.

In light of the information provided, the Members of the Fair Access Panel will make their recommendation, which the Director of Schools and Children's Development will then ratify.

Once the decision has been ratified the Admissions Service will inform the school and parents of the decision.

Parents still retain their right of appeal against any decision made by the Local Authority through this protocol.

Year 11 pupils whose first language is not English

Newly arrived young people resident in Harrow for whom English is not their first language will be referred to Harrow College for a language assessment. This assessment will include a recommendation as to the most appropriate placement, ie referral to a high school or placement on an appropriate ESOL course.

Monitoring

The Admissions Service will provide regular updates and an annual report on the placement of pupils through the Fair Access Protocol to the Harrow Admissions Forum.
