

HARROW PARTNERSHIP BOARD

11th March 2010

Update from Harrow Chief Executives

Introduction
This report informs the Board of the work undertaken by Harrow Chief Executives at their meetings on 25 th January and 22 nd February 2010.
Key Elements
<p>The HCE Group held a special meeting on 25th January to consider progress on their priorities. They received:</p> <ul style="list-style-type: none"> • a presentation on the development of a Health and Well being Strategy (see item on this agenda), • Community Cohesion, • Mitigating the Impact of the Recession, and • Climate Change. <p>These presentations described the stage of development of strategies and action plans to progress these priorities. The priorities are at different points in development and HCE agreed timetables for receiving further updates. At significant points in the development of each strategy and when it is complete, each will be reported to the Board for advice and direction. Details of progress as at January 2010 can be provided if required.</p> <p>The meeting held on 22nd February was a performance morning at which the progress of management groups in pursuing their targets was reviewed. An extract from the performance report considered by the meeting is appended for information.</p>
Actions for the HSP Board
The Board are asked to receive this report and comment on the way in which the performance information has been provided to assist officers in designing the format for reporting to future meetings.
Recommendations
The Board are recommended to note this report
