

AGENDA ITEM 11(G) - APPENDIX
 We, the undersigned residents of Wynchgate petition the Council on an urgent matter of an ambulance was obstructed by school parking on and around the small roundabout at the junction of Wynchgate and Whitegate Gardens. We fear that owing to this constant inconsiderate parking any emergency vehicle will be delayed leading to serious consequences for local residents.

We, therefore, urge the Council to consider further and effective parking restrictions during the School Safety Zone period. These restrictions should apply to the area surrounding the small roundabout for the safety of all the residents.
