April 2010

To: All Patients registered at The Buckingham Road Surgery  
– 82 Chandos Crescent, Edgware

We have had the pleasure of being responsible for your care at the Buckingham Road Surgery since the previous GP retired in February 2008.

The current premises at Chandos Crescent do not meet our requirements to enable us to deliver the services we would wish to offer our patients. We have been actively seeking alternative accommodation within the vicinity of the Practice. Unfortunately, we have not been able to find anything suitable.

After much discussion and careful consideration, we have decided to close the Surgery at Chandos Crescent. THE GP, NURSE and ADMIN STAFF will be transferring to our premises in Stanmore. We hope that you will also be able to attend our surgeries in Stanmore.

If you require any further information, please do not hesitate to contact our Service & Development Manager – Mrs. Sue Young – on 020 8951 3888.

An information sheet will be available from reception from Monday 3<sup>rd</sup> May, please feel free to call in and collect a copy. Meanwhile, you can see more about our Surgeries in Stanmore by looking at our website:  
[www.stanmoremedicalcentre.co.uk](http://www.stanmoremedicalcentre.co.uk).

We look forward to seeing you in Stanmore.

Yours sincerely,

Drs. Gould, Gerrard, Lakhani & Hasan
