

LONDON BOROUGH OF HARROW

TO: CABINET - 15 July 2010

FROM: COUNCIL – 8 July 2010

MOTION REFERRED TO EXECUTIVE –

(A) Kenton Road Motion

1. At the meeting of Council held on 8 July 2010, and in accordance with the provisions of Rule 14.7, a Motion was proposed by Councillor Yogesh Teli and seconded by Councillor Vina Mithani, and read as follows:

“This Council notes that the removal of the right turning from Kenton Road into Kenton Lane has proven unpopular with residents, and that a petition on this issue was presented to the Mayor of London by Cllrs. Teli, Mithani and Zeid in March 2010. The removal of the turning has resulted in increased congestion and a larger number of vehicles travelling down the narrower back roads.

This Council therefore pledges to work with Brent Council – who maintain responsibility for the junction – to ensure that the right-turn is reintroduced, and to liaise with Transport for London to ensure that it is swiftly implemented once Brent has agreed to its reintroduction”.

2. An amendment was proposed by Councillor Bill Stephenson and seconded by Councillor Phillip O’Dell which was agreed. The Motion as amended was resolved to stand referred to the next meeting of the Executive as follows:

“This Council notes that the removal of the right turning from Kenton Road into Kenton Lane has proven unpopular with residents, and that a petition on this issue was presented to the Mayor of London by Cllrs. Teli, Mithani and Zeid in March 2010.

This Council requests that the Chief Executive writes to the Mayor of London regarding what action has been taken”.
