30th March 2010

Dear Sir,

I write to endorse the application by the London Borough of Harrow local authority for Additional Licensing powers for Houses in Multiple Occupation (HMO).

The powers applied for are intended to help reduce overcrowding in such premises, improve housing and management conditions, as well as security generally. The police will of course support any measures that achieve this.

The application appears to be targeted at areas of prime concern, and I believe the powers under the additional HMO licensing will help to address concerns such as overcrowding, litter and the like. The local authority and the police can also benefit from partnership working on matters of mutual concern.

Yours faithfully

Inspector Stuart Ward
Partnership & Safer Schools Inspector

Retention: 12 Months

NOT PROTECTIVELY MARKED
