Consultation Responses Valentine road

		Question 1				Question 2		Question 3		Question 4		Question 5		Question 6	
		Are You				Do you consider there is a parking problem in your street?		Would you support the extension of the Controlled Parking Zone M covering the period 10am to 11am and 2pm to 3pm Monday to Saturday into your road?		If you answered No to Q3, should parking controls be introduced in the road next to yours, would you then support residents parking proposal ?		would you support the layout of the parking permit bays and parking controls shown on the plan in your road		Any comments	
Ref	Road Name	Date	Resident	Business	Both	Yes	No	Yes	No	Yes	No	Yes	No		
1	Valentine Road	08 07 10	1			1		1					1	we desperatly need more parking spaces on this road not less which extending yellow lines does	
2	Valentine Road	16 06 10	1			1		1		1		1		want bays outside the clinic for resident permit parking only as the ppb's would not be sufficient for the 20 houses on the road	
47	Valentine Road	05 07 10	1			1		1	1				1	Has A lot of reasons why cpz should not be introduced
