TRAFFIC AND ROAD SAFETY ADVISORY PANEL

DATE – 24 November 2010

Petition – Streatfield Road

Reference from the meeting of Cabinet held on 28 October 2010

Cabinet on 28 October 2010 received a petition with 121 signatures in respect of Streatfield Road with the following terms of reference:

“We, the residents of Streatfield Road, support a campaign to restrict the size and weight of lorries using the road. These lorries, some of them extremely large, are not suited for what is essentially a residential road. The vibrations from these lorries have led to and are causing damage to the roads, our houses to shake, which affects our quality of life and the ability to relax, in particular sleep. This may well lead to future damage to our houses and may well affect the saleability of our houses present and future.

We urge the Council to look at this matter with the utmost urgency and to undertake to meet with a delegation of residents and interested party to find a solution to this long running issue.”

RESOLVED: That the petition be received and referred to the Traffic and Road Safety Advisory Panel for consideration.
