Dear

Building Schools for the Future One-School Pathfinder

We are writing to accept the invitation for Harrow Council to participate in the Building Schools for the Future One-School Pathfinder scheme.

We view this as an ideal opportunity to commence the process of achieving our vision for secondary education in Harrow, which will build on our current achievements, improve educational standards, and meet the wishes and needs of stakeholders in the borough.

We confirm that we wish to apply for an allocation of funding, in accordance with the terms and conditions set out in [redacted] letter to [redacted] dated 15 June 2006.
