Dear Mr McBride

Post Office area plans for Harrow East and Harrow West

Thank you for your letters dated 1 September 2004 regarding your closure proposals for the Harrow East and Harrow West constituencies.

Please find enclosed the Council's response to the proposals. The response outlines the Council's assessment of the impact of the proposals on the borough as a whole as well as the communities affected by the individual proposals.

We would like to thank you for attending our public meeting held on 23 September. Although our meeting went some way towards allowing the community to air their views, the strength of feeling at the meeting demonstrated that a longer consultation period would have enabled fuller consultation with your customers and our residents.

We look forward to hearing from you.

Yours sincerely
