

### Appendix 3: Analysis of awarded applications by protected equality characteristics served

This appendix provides analysis of the responses to Questions 5 on the current grant application forms 2011/12 that asks applicants to indicate which of the protected equality groups will be served by the project. The analysis is based solely on responses to question 5 and does not take into account any other information provided on the application form. It is based on the applicants' own classification of potential project beneficiaries.
