Dear Cllr Stephenson

**Resurfacing of Orchard Grove**

We, the undersigned residents of the Borough of Harrow, wish to voice concern about the deteriorating condition of the road surface in Orchard Grove. As Council taxpayers we feel it is unacceptable that the road in Orchard Grove is in such poor condition.

All road users and pedestrians are affected by the intolerable road surface which is pot-holed, dangerous and not been resurfaced since at least about 1975. We, the undersigned, ask Harrow Council to resurface the road as a matter of urgency.
