

IMPORTANT CONSULTATION – PLEASE READ

Parking in the Marlborough Hill area

In December 2010, the council received a petition signed by residents in Marlborough Hill asking for the times of the parking zone in their road to be extended. The petition said that a lot of vehicles parked in Marlborough Hill after 11am did not belong to residents, and this was making it hard for local people to find a parking space near their home.

We have looked at the area where the petition was signed and have come up with a proposal, which your local councillors have asked us to consult you on.

What we are proposing

To help reduce the number of vehicles parked in your area that belong to non-residents, we propose to change **Badminton Close**, **Barons Mead** and some of **Marlborough Hill** to become part of the **Zone K** permit parking area.

This would mean parking controls would be in effect **Mondays to Saturdays, 8.30am to 6.30pm**, compared to 10-11am on Mondays to Fridays now.

Please look at the map on the reverse of this letter, which shows the area affected.

If you wish to see large-scale plans, these are on display at the Civic Centre Library during the library's normal opening hours.

Please note – the library is closed for upgrade works and will re-open on **Thursday 7 July 2011**.

Consider the proposals carefully and think about how the change might affect you.

Have your say

Once you have made your decision, please go online to **www.harrow.gov.uk/consultations** to fill out our survey. If you do not have access to the Internet, please call us on **020 8424 1988** to request a printed questionnaire. When leaving a recorded message, state clearly your name and address and refer to '**Marlborough Hill parking questionnaire**'.

You can also make a **statutory objection** in writing if you do not agree with the proposals. Please give your name, address, and the reasons for your objection.

We must receive your response and the statutory objections no later than **27 July 2011** in order to be considered. We will compile and analyse responses and discuss them with your local councillors.

We will only make the change if the majority of residents who respond are in favour. If there is not a majority, we may still change part of the zone if there are enough people in the affected area who are in favour.

We will write to you again when a decision has been reached.
