

Appendix 2a: Analysis of 2011/12 grant applications by benefit stated to protected equality groups

		% of protected equality characteristics served taken from Q5 on application form													
		AGE			RACE							SEX			
Score as %	Eligible number of applications*	% Age - Children & Young People	% Age - Older People	% Disability	% Race - Asian	% Race - Black	% Race - Chinese	% Race - Mixed	% Race White	% Race - Other	% Religion or belief	% Sex - F	% Sex - M	% Gender Reassignment	% *Sexual Orientation
95-100	31	47	79	90	74	66	55	70	73	48	73	97	90	6	6
90-100	40	52	73	90	71	68	54	70	70	45	67	98	93	5	5
87-100	45	55	73	89	74	70	58	73	72	49	66	96	89	4	4
85-100	53	55	75	89	72	69	55	72	69	51	64	96	91	4	4
80-100	61	54	73	87	71	66	52	67	65	49	63	93	89	3	3
0-100	103	52	67	81	69	60	45	59	58	46	59	91	87	2	2

* Eligible applications that have been assessed as first stage successful

This analysis is based on applicants responses to Q5 on the grant application form; 'Which of the following groups will benefit from your service?' As the grant applications were issued in December 2010 ahead of the implementation of the Equality Act 2010, information was not requested at the time about the groups protected under the new legislation.
