**LOCATION:** 6 South Close, Rayners Lane  
**APPLICANT:** S Dadamiya for Mr S Bharde  
**PROPOSAL:** Conversion of Extended House to Provide 3 Self-Contained Flats with Parking & Domestic Store at Rear (Revised)  
**DECISION:** REFUSED permission for the development described in the application and submitted plans for the following reasons:  
  
(i) The proposal represents an over-intensification of the property, which would give rise to additional disturbance and general activity associated with the use of three flats.  
  
(ii) The greater intensity of the use of the rear garden, which would be shared by three dwellings, would give rise to a loss of residential amenity to the surrounding properties by reason of a significant increase in disturbance and general activity.  
  
(iii) There is only one parking space in the front that, at the time of determination, can be relied upon. There are uncertain plans for additional parking of two formally laid-out spaces at the rear with access through the service road. This would give rise to additional activity towards the back of the rear garden, resulting in general

disturbance to the rear of 7 South Close. Even if the two spaces at the rear were accessible, there would be a shortfall of parking provision of one space, which is unacceptable given the location.

Informative: The following policies in the Harrow Unitary Development Plan are relevant to this decision: SD1, EP25, D4, D5, D9, D10, H9, H18, C16, T13.

<b>DECISION:</b>	REFUSED permission for the development described in the application and submitted plans, for the following reason:		
	(i) The proposal, although a considerable improvement on the previous scheme, would still be unduly obtrusive and overbearing, by reason of the excessive forward projection of the building, to the detriment of the appearance of the street scene and the amenity of neighbouring residents in Rayners Lane and Village Way.
