Dear Sir

Re: Renewal of Annual Night Café Licence for Kebabland, 36 College Road, Harrow

When the above-named establishment was last given its licence by the Licensing Committee, it was stipulated that a condition of the Licence was that the proprietors should make every effort to reduce the amount of litter originating from the premises by mounting litter patrols in and around Harrow.

It was stated that these litter patrols should cover "both sides of the tracks" around Harrow on the Hill Station. This has manifestly failed to happen.

Not only is College Road and surrounding roads in Harrow blighted by the appearance of the yellow Styrofoam containers used by Kebabland, but so is Lowlands Road and Grove Hill in Harrow. Harrow is never going to look clean, tidy and cared for if this litter is allowed to proliferate.

It is my view that the proprietors of Kebabland have failed to observe the conditions of their Licence and do not deserve to have it renewed.

Accordingly, I am writing to object in the strongest terms possible to the renewal of the above-mentioned Annual Night Café Licence.

Yours faithfully

Adrian Knowles

Dear Mr. Knowles;

Re: Renewal of Annual Night Café Licence for Kebabland, 36 College Road, Harrow

I am writing in response to your letter of objection, dated 02/05/2003, to renewal of Night Café Licence for Kebab Land at 36 College Road, Harrow and would like you to know that I was deeply saddened by the contents of the letter which lays blame on us for the pollution of the College Road and the surrounding roads with the Styrofoam containers used by Kebab Land.

As the proprietor, I believe I have been taking appropriate steps to keep the vicinity of Kebab Land free of litter originating from the premise. By mounting litter patrols at the closing times, I personally make sure that the section of College Road between the Harrow Post Office and Harrow on the Hill Station is cleared of any litter originated by us. In the process, not only do we clean our own litter, we also clean the litter originated from the other premises which are open at night around Kebab Land and Harrow.

But, because of my concern over the safety of my staff late at night, especially at the weekends, I am reluctant to send them to collect litter as far as the Lowlands Road and Grove Hill which are at the other side of the Harrow on the Hill Station and far off the vicinity of Kebab Land.

I would also like to draw your attention to the fact that it is not only Kebab Land that uses the yellow Styrofoam containers in or around Harrow and also to the contributing factors of some inconsiderate members of public who throws the litter around uncontrollably.

Kebab Land is a small business that relies upon night trade and any decision not to renew its license would profoundly cripple the business and bring it to the verge of bankruptcy. In the light of this fact I have done my utmost to observe the conditions of our Night Café License and will always do so to keep my business running.

I am more than happy to cooperate with you in any way to keep Harrow clear of litter and I kindly ask for your assistance to overcome this problem and to stop the reoccurrence of it in the future.

I would be grateful if you could possibly reconsider your objection and let me know what I can do to satisfy the conditions of our License in order to keep Harrow free of litter.

Yours Sincerely

Erdogan Dagdelen

The Proprietor

APPENDIX C

Points towards the night license

1. We are changing the colour of the polystyrene containers (to white if possible).
2. We are hoping to stamp these containers with a 'Kebabland' title and 'keep Harrow tidy' slogan as well as a corresponding logo.
3. There is a legal undertaking of £2000 as a contribution toward planning permission as to improve Harrow town centre. The money is currently with the Council solicitors.
4. We pay £5500 business rates as well as £2600 council tax. As far as we had thought, at least a proportion of this money would theoretically go towards improvements of Harrow's general litter problems.
5. We would like the panel to acknowledge the fact that we are a small business and feel that these current charges are understandably a large amount of money, especially for a business of our size.
6. We would like to know why no other kebab shops in the surrounding area were not approached with similar requests and objections towards their night licenses.
7. We would correspondingly like to know what Harrow council is doing about other businesses in the context of 'keeping Harrow tidy'.
8. We are a small business with both morals and principles. We would like to know why our shop is the only one being targeted in this scheme, as we would like to think that we are doing everything possible to maintain our business in this moral manner. We also *know for a fact* that some of the other shops in Harrow do not have a night license, nor do they ever clean outside their respective premises.
9. We would like the panel to appreciate that *we are the only kebab shop in Harrow* to clean outside our premises regularly in obligation to the amount of litter that is thrown by pedestrians. We take great pains to carry out a litter patrol every single night, from Barclays Bank plc. Until Harrow Bus Station, cleaning other business' litter *as well as our own*. It is difficult for us to recognise why we are receiving such inquiries when we see these actions on our behalf as actually helping Harrow town council in their cleaning efforts.
10. There is a limit however as to how much we can do, being a relatively small business, as stated previously. We are conscious of the litter problem and as far as we can see we are doing more than our fair share -and obligingly so- yet when such inquiries appear it makes us question whether any of our actions are being appreciated by the Council at all, and would sincerely appreciate any help and advice the Council could give as to more efficient methods of preventing litter.
