Please describe any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 9).

- We have carefully considered the risks and benefits associated with the extra hours and other variations applied for and do not believe that any additional measures are necessary to promote the licensing objectives
- We will continue to train our staff to a high standard
- The style and operation will not differ significantly during the extended hours. The additional hours sought will of themselves promote the licensing objectives as stated in paragraph 3.29 of the Guidance, in allowing customers to emerge from the premises at a more gradual rate

b) The prevention of crime and disorder

- If a disc jockey is used on any night then he/she will ask customers to leave quietly
- Notices will be displayed at the exit to the premises asking customers to leave quietly
- The current level of lighting outside the premises will continue for the additional hours of trading
- Any person who appears to be intoxicated will not be allowed entry to the premises
- Our staff are trained in all aspects of crime and disorder prevention
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective

c) Public safety

- We have carried out a risk assessment
- We have a fire certificate
- We have a maintained emergency lighting system
- We have an effective emergency evacuation procedure
- We maintain clear escape routes
- We regularly check our fire extinguishers
- Our staff are trained in all safety areas.
- Any incidents are recorded in a health and safety book

d) The prevention of public nuisance

- If a disc jockey is used on any night then he/she will ask customers to leave quietly
- An extraction and filtration system is used within the premises' kitchen
- Litter bins are provided inside the club
- Notices will be displayed at the exit to the premises asking customers to leave quietly
- The current level of lighting outside the premises will continue for the additional hours of trading
- Reasonable steps will be taken to recognise the need of local residents and to encourage customers to leave quietly
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective

e) The protection of children from harm

- Children are not allowed to remain in the bar area after 2100
- We require proof of age where appropriate
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective
