Pinner Hill is a conservation area and an area of natural beauty. It consists of private roads paid for and kept in good order by the residents. The Golf Club uses the roads for access for the purpose of golf and there is generally a low volume of traffic.

The application for increased events and a public restaurant available to non members and other guests would cause considerably more traffic on the narrow roads with calming humps and further accompanying noise.

The area is already attractive to burglars and a significant increase in vehicles would allow greater cover for these deeds particularly as CCTV is not allowed on the estate .

When the clubhouse holds events, there is considerable music noise in addition to the noise of late night traffic leaving the club.

Many residents purchased their properties on the Pinner Hill Estate because of the "private" nature and quiet surroundings. A public venue in such an area removes the atmosphere and essence of a quiet private area.

Finally the narrow roads with no kerb to the verges (which are also owned and managed by the residents) do not lend themselves to excess numbers of cars and coaches which an extension of the license would encourage.

Please provide as much information as possible to support the application (please read guidance note 2)
