Licensing Department
Harrow Council,

Dear Sirs,

I understand that Pinner Hill Golf Club have asked for extensive extensions to their licensing, which already causes considerable noise and practical inconvenience during the summer. We have not complained about this before, thinking that it was only on an occasional basis, though the noise from the dance band, and the rowdiness of the departing guests has been considerable.

Any extension of the present licensing hours – and of allowing non-members to hire the Club premises for late night / early morning music, dancing and late night refreshments/alcohol – and of extended opening hours until 1.30 am on Fridays and Saturdays would clearly disturb us very considerably.

In fact we will apply for a reduction in our rateable value if any extensions beyond those already in effect should be allowed.

On a separate account, no parking is allowed on the estate roads, which are maintained, with only a very modest contribution from the Golf Club each year. The roads on the estate are narrow and winding -- that outside our house, on the way to the main Club parking area, has barely enough room for two cars to pass, and the noise and turmoil of late night parking, compounded by the fact of including non-members of the club, would add considerably to the disturbance of residents.

I understand that the Golf Club's application has been in your hands for some time, and am much concerned that we have had no notice of this from the Council. I should be grateful if you would let me know why this is, and confirm that ample notice will be given to us all of any similar proposals made in the future.

I enclose formal Representation as required.

Yours faithfully,

David Chambers
