Pinner Hill Golf Club is set in the middle of a private residential estate, and our property is one of the nearest to the club. We already incur high noise levels on a regular basis, and it would be completely intolerable for all the local residents if this was allowed to increase in regularity. Our quality of life would be adversely affected in a major way. Moreover this estate is home to many elderly residents, and any extension of licensing hours would be completely unfair on them in particular.

In addition to the above, it must be questionable whether our small private roads with many speed bumps could accommodate any increase in traffic.

**Please provide as much information as possible to support the application (please read guidance note 2)**
