Re File 10796/Pinner Hill Golf Club HAS3YA

Dear Sir,

I wish to register a strong objection to this application.

The small roads are not fit to take any increase in traffic - it is already chaos getting to ones house when the golf club has a special day.

The noise till the early hours every weekend is completely unacceptable to residents.

The spill over parking on the narrow roads around the golf club will be a nightmare to residents and their guests.

Yours Sincerely
