Please state the ground(s) for review (please read guidance note1)

The proposed licensing changes will have an adverse effect on the Pinner Hill Conservation Area, in particular, its residents. This area is subject to very strict planning and environmental rules. The proposed licensing changes allow the introduction of non-golf related activities and represent a 'change of use' of the Golf Club premises. The increase in traffic flow and the noise levels that will be generated are totally unacceptable in an otherwise quiet residential area. The car parking facilities at the Golf Club are very limited and the no parking rules on the estate are strictly enforced. Consequently, many problems will arise from the increased numbers of vehicles parking at the Golf Club.

The proposed, extended licensing hours - to 1:30 am - will also cause a great deal of noise at a time when the surrounding Pinner Hill estate is very quiet. The residents of Pinner Hill have co-existed happily with the Golf Club for many decades. However, approval of this licensing application will cause a great deal of nuisance and problems never previously experienced.

Please provide as much information as possible to support the application (please read guidance note 2)

A single, thin, dark diagonal line is drawn across the page, starting from the lower-left quadrant and extending towards the upper-right quadrant. The line is slightly curved and appears to be a handwritten mark or a stray stroke.
