Dear councillor Rekha

We have been living at Weald lane for thirty three years, and seen all the changes out of all of these, this one is most outrageous.

How can any one even consider about giving licence to stay open till 2am plus allow to sell alcahol. It's like asking for trouble, few years ago I felt quite safe walking on top of Weald lane in the evening, not now.

We totally oppose granting this kind of licence to Kemps Fish Bar, I hope we have made quite clear about this issue.

Yours faithfully,
Amart Patel,
