

Harrow Sustainable Community Strategy

Working Together and Working With You

Harrow Council Plan – Working Together : Our Harrow, Our Community

Keeping neighbourhoods clean, green and safe

Protect vulnerable people from the harmful impact of crime, anti-social behaviour and abuse

United and involved communities: a Council that listens and leads

Celebrate the diversity of Harrow so the Borough is an increasingly cohesive place where people from all communities get on well together

Develop a workforce that feels valued, respected and is reflective of the diverse communities we serve

Supporting and protecting people who are most in need

Deliver services which are accessible and welcoming to all communities and are capable of responding to the different needs and aspirations our customers have

Improve opportunities for vulnerable young people through our corporate parenting role and individual support
Minimise the impact on health inequalities and deprivation in the Borough through partnership working

Minimise the impact of budget cuts on equality groups (protected characteristics)

Supporting our Town Centre, our local shopping centres and businesses

Support local businesses and residents in times of economic hardship
