

CYMBERLINE COURT,
Gayton Road

TO WHOM IT MAY CONCERN

I am the Warden for Cymbefline Court in Gayton Road and this block of retirement flats shares the access road mentioned in the petitions now being presented to Harrow Council.

We are in agreement with the views expressed regarding the access road and would like to mention our concern over the unregulated parking which is now taking place in that road.

Because our residents here are elderly and some unwell, I am dealing with this on their behalf and would welcome the extension of double yellow lines which would hopefully avoid this problem. 
of Genesis is aware of our involvement in this connection.

PETITION

KNOWLES COURT
GAYTON ROAD
HARROW HA1 2HA

Since the access road off Gayton Road near the junction with St John's Road, for Knowles Court, Lime Court Cymbeline Court and Charville Court has been adopted by Harrow Council it has been the only road in that part of Harrow that has unregulated parking. This has made it a regular target for people to park in the road for free. The road is too narrow for parking and when cars are parked there it impedes the access of ambulances and other emergency vehicles into the area as well as being a general nuisance to the residents of the courts and those residents trying to use the road as access to their parking places. Ambulances use this access road from time to time as Cymbeline Court is sheltered housing.

The undersigned residents of the Courts call upon Harrow Council to extend the double yellow line no parking restrictions that apply generally to that part of Harrow into the full length of this access road.
